It is our responsibility to form an independent opinion as to the company's entitlement to deliver abbreviated accounts prepared in accordance with that section and schedule and whether the abbreviated accounts have been properly prepared in accordance with those provisions.

THE DAVID HUME INSTITUTE

ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Institute have been prepared on the historical cost basis and in accordance with statements of standard accounting practice and Statement of Recommended Practice "Accounting by Charities".

INCOME AND EXPENDITURE

Income is shown gross of tax recoveries. Expenditure on publications is written off as incurred and no value is placed on stock of publications. Rentals payable under operating leases are charged to income as incurred.

TANGIBLE FIXED ASSETS AND DEPRECIATION

Tangible fixed assets are stated at cost less accumulated depreciation. Depreciation is calculated to write off the cost less residual value of the assets over their estimated useful lives at the following rates:

Fixtures and fittings	20% per annum straight line
-----------------------	-----------------------------

INCOME

Donations, revenue grants and membership subscriptions are credited to the income and expenditure account in the year to which they relate. All income of the Institute has been derived wholly from activities within the UK.

FORMAT

Owing to special circumstances and in particular to the fact that the activities of the Institute are principally the administration of voluntary funds for charitable purposes, it is the opinion of the trustees that presentation of a profit and loss account in any of the specific formats presented in Schedule 4 of the Companies Act 1985 would prevent compliance with section 228 of the Act (that accounts shall give a true and fair view of the profit or loss for the financial year). Accordingly, the information required by the Act is given in the form of an Income and Expenditure account appropriate to the activities of the Institute.

CASHFLOW STATEMENT

The Institute is a small company as defined by the Companies Act 1985 and is exempt from preparing a cashflow statement under Financial Reporting Standard 1 (Revised 1996).
