Return of allotment of shares

5 Statement of capital (prescribed particulars of rights attached to shares)

Class of share	6% Non-Cumulative Redeemable Preference	
Prescribed particulars	<p>(a) particulars of any voting rights, including rights that only arise in certain circumstances. No express rights other than those provided for by general law and in the company's articles from time to time (no such rights currently). (b) particulars of any rights as respects dividends, to participate in a distribution. Holders shall be entitled (in priority to any payment of dividend on the ordinary shares) to a fixed rate non-cumulative preferential dividend at a rate of 6 per cent. per annum to be paid, if and insofar as there are profits of the company available for such payment, in equal instalments on 1 March, 1 June, 1 September and 1 December, or if such day is not a business day, the first available business day thereafter. No preference dividend shall be payable on such date if the directors have determined that prudent capital ratios would not be maintained if payment of the dividend were made. (c) particulars of any rights, as respects capital, to participate in a distribution (including on winding-up). On a return of assets on a winding up, the assets of the company available for distribution among the members shall be applied first in repaying the holder of the preference shares and any other preference shares from time to time issued by the company ranking equally therewith in the amounts paid up (or credited as paid up) on such preference shares plus any accrued but unpaid dividends thereon (or as otherwise provided in the terms of such preference shares). (d) whether the shares are to be redeemed or are liable to be redeemed at the option of the company or the shareholder and any terms or conditions relating to the redemption of these shares. The shares shall be redeemable at the option of the company at such time and date as the directors may determine.</p>

5 Statement of capital (prescribed particulars of rights attached to shares)

Class of share	6.3673% Non-Cumulative Fixed/Floating Rate Preference	
Prescribed particulars	<p>(a) particulars of any voting rights, including rights that only arise in certain circumstances. Holders of GBP 6.3673% non-cumulative preference shares are only entitled to vote on resolutions (i) proposing to vary or abrogate the rights and restrictions attached to the preference shares and (ii) proposing to wind-up or relating to the winding-up of the company. Notwithstanding the above, if on the applicable dividend payment date immediately preceding the date of notice of the general meeting of shareholders the dividend has not been paid in full, the holders will have the right to vote on all resolutions, and this right will continue until the company has resumed the payment of dividends in full. If entitled to vote, each preference shareholder is entitled to one vote for every GBP 0.25 of nominal value of the preference shares of which he is a holder. (b) particulars of any rights as respects dividends, to participate in a distribution. Non-cumulative preferential dividends accrue at a rate of 6.3673 per cent. per annum on the liquidation preference (£1000) of each preference share from the issue date to 17 June 2019 and are payable annually in arrear, save for first dividend payment which is short. From and including 17 June 2019 non-cumulative preferential dividends accrue at 1.36 per cent. above three month sterling LIBOR and will be payable quarterly in arrears. (c) particulars of any rights, as respects capital, to participate in a distribution (including on winding-up). On a return of capital or distribution of assets (whether on winding-up or otherwise) holders of GBP 6.3673% non-cumulative preference shares will rank (i) equally with the holders of the most senior class of preference shares and any other class of shares of the company in issue or which may be issued by the company which are expressed to rank equally with the preference shares and (ii) in priority to the holders of all other classes of share capital of the company. Subject to such ranking, holders will be entitled to: (i) £1000 per preference share; (ii) any dividend due for payment on or after the date of the commencement of any winding-up or other return of capital but which relates to a period ending on or before that date; and (iii) the proportion of any dividend in respect of a period that begins before, but ends after, the date of the commencement of any winding-up or other return of capital and is attributable to the part of the period that ends on such date. (d) whether the shares are to be redeemed or are liable to be redeemed at the option of the company or the shareholder and any terms or conditions relating to the redemption of these shares. Subject to applicable law and the approval of the FSA, the company may at its election redeem some or all of the preference shares on the first call date, and thereafter on each dividend payment date at the redemption price specified.</p>
