The Company undertakes to the Bank that it will not except for a Permitted Encumbrance create or allow to subsist any Encumbrance. In the event that the Company creates any Encumbrance in breach of this prohibition, the Charge shall rank in priority to that Encumbrance.

• In the case of a floating charge a statement should be given of (1) the restrictions, if any, on the power of the company to grant further securities ranking in priority to, or pari passu with the floating charge; and/or (2) the provisions, if any, regulating the order in which the floating charge shall rank with any other subsisting or future floating charges or fixed securities over the property which is the subject of the floating charge or any part of it.
