THIS DEED is dated

BETWEEN:

- (1) **VITA THERMOPLASTIC SHEET LIMITED**, a company incorporated in Scotland whose registered office is at Cliftonhall Road, Newbridge, Midlothian EH28 8TW registered with company number SC097825 (the **Chargor**); and
- (2) **GE FACTOFRANCE**, a company incorporated under the laws of France as a *société par actions simplifiée*, whose registered office is at Tour Facto, 18 rue Hoche, 92988, Paris, La Défense, France registered with the Trade and Companies Registry (*Registre du Commerce et des Sociétés*) of Nanterre under number 063 802 466 (**GE**).

BACKGROUND:

- (A) The Chargor enters into this Deed in connection with the Factoring Agreement and the Factoring Facility Documents (each such term as defined below).
- (B) It is intended that this document take effect as a deed notwithstanding the fact that a party may only execute this document under hand.

IT IS AGREED as follows:

1. DEFINITIONS AND INTERPRETATION

1.1 Definitions

In this Deed:

Account Bank means the bank referred to in Clause 5.1 (Initial Account Bank) or such other bank determined in accordance with Clause 5.2 (Change of Account Bank).

Act means the Law of Property Act 1925.

Collection Accounts means the accounts details of which are contained in Schedule 2 (Collection Accounts) and includes any replacement account or sub-account of such accounts.

Discharge Date means the date on which all of the Secured Liabilities have been irrevocably paid and discharged in full and GE is not under any obligation to purchase any Receivables pursuant to the Factoring Agreement.

Factoring Agreement means the Pan-European Factoring Agreement dated on or about the date of this Deed between, amongst others, the Chargor and GE.

Factoring Facility Documents has the meaning given to that term in the Factoring Agreement and includes all amendments and supplements to any of those documents, including any providing for further advances.

Ineffective in relation to the purchase of a Receivable means (a) failing under applicable law to constitute a transfer of beneficial title to or the beneficial interest in the Receivable or (b) being treated

under applicable law not as effecting an absolute transfer of ownership of the beneficial title to or the beneficial interest in the Receivable but instead being treated as effecting the creation of a security interest over the Receivable. The inclusion of paragraph (b) in this definition is without prejudice to the acknowledgement and confirmation of each of the Parties that each purchase of a Receivable by GE under the Factoring Agreement is intended to and does to the maximum extent permitted by applicable law effect an absolute transfer of ownership of the beneficial title to or the beneficial interest in that Receivable under each applicable law.

Party means a party to this Deed.

Receiver means an administrative receiver, a receiver and manager or a receiver, in each case, appointed under this Deed.

Secured Liabilities means in relation to the Chargor, all present and future obligations and liabilities (whether actual or contingent and whether owed jointly or severally or in any other capacity whatsoever) of the Chargor owed to GE under any Factoring Facility Document.

Security means any Security Interest created, evidenced or conferred by or pursuant to this Deed.

Security Assets means all assets of the Chargor the subject of this Security.

Security Interest means a mortgage, charge, pledge, lien or other security interest securing any obligation of any person or any other agreement or arrangement having a similar effect.

Security Period means the period beginning on the date of this Deed and ending on the Discharge Date.

1.2 Construction

- (a) Capitalised terms defined in the Factoring Agreement (including by way of incorporation therein) have, unless expressly defined in this Deed, the same meaning in this Deed.
- (b) The provisions of subclause 1.2 (Interpretation) of the Factoring Agreement apply to this Deed as though they were set out in full in this Deed, except that references to the Factoring Agreement will be construed as references to this Deed.
- (c) Any covenant of the Chargor under this Deed (other than a payment obligation) remains in force during the Security Period and is given for the benefit of GE.
- (d) If GE reasonably considers that an amount paid to GE under a Factoring Facility Document is capable of being avoided or otherwise set aside on the liquidation or administration of the payer or otherwise, then that amount will not be considered to have been irrevocably paid for the purposes of this Deed.
- (e) Unless the context otherwise requires, a reference to a Security Asset includes:
 - (i) any part of that Security Asset;
 - (ii) the proceeds of sale of that Security Asset; and
 - (iii) any present and future assets of that type.

- (f) Unless expressly provided to the contrary in this Deed, a person who is not a Party has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce or to enjoy the benefit of any term of this Deed.

1.3 Certificates

A certificate of GE setting forth the amount of any Secured Liability shall, in the absence of manifest error, be prima facie evidence of such amount.

2. CREATION OF SECURITY

The Chargor, with full title guarantee and as continuing security in favour of GE for the payment, discharge and performance of all the Secured Liabilities, charges by way of first fixed charge all of its rights in respect of any amount standing to the credit of the Collection Accounts and the debt represented by those accounts.

3. REPRESENTATIONS - GENERAL

3.1 Nature of security

Subject to the Legal Reservations, the Chargor represents and warrants to GE that:

- (a) this Deed creates those Security Interests it purports to create; and
- (b) this Deed is its legally binding, valid and enforceable obligation.

3.2 Security Assets

- (a) The Chargor is the sole legal and beneficial owner of the Security Assets.
- (b) Unless otherwise consented to in writing by GE or as permitted under the Factoring Facility Documents, each of the Security Assets and the debt represented by them is free from:
 - (i) any Security Interest (other than any Security Interest created by this Deed); and
 - (ii) any interests or claims of third parties (save for any interests or claims of GE).

3.3 Times for making representations

The representations and warranties set out in this Deed (including in this Clause) are made by the Chargor on the date of this Deed and each such representation and warranty is deemed to be repeated by the Chargor on each date during the Security Period.

4. GENERAL UNDERTAKINGS

4.1 Duration

The undertakings in this Clause remain in force throughout the Security Period.

4.2 Security Assets

- (a) Subject to subparagraph (b) below, the Chargor shall, upon reasonable request by GE, deliver to, and deposit with, GE all certificates and other documents or copies thereof evidencing or relating to the Security Assets or, as GE may reasonably direct, shall deliver and/or deposit such documents other than directly to GE upon GE's reasonable request.
- (b) The Chargor shall not take any action which would reasonably be expected to jeopardise the existence or enforceability of the Security Assets.

4.3 Restrictions on dealing

The Chargor shall not:

- (a) create or permit to subsist any Security Interest on any Security Asset other than any Security Interest created by this Deed; or
- (b) sell, transfer, grant, or lease or otherwise dispose of any Security Asset,

in each case unless otherwise consented to in writing to by GE or as permitted under the Factoring Facility Documents.

5. COLLECTION ACCOUNTS

5.1 Initial Account Bank

5.2 Change of Account Bank

- (a) The Account Bank may be changed to another bank approved by GE (acting reasonably) if the Chargor and GE so agree in writing.
- (b) A change of Account Bank only becomes effective when the proposed new Account Bank agrees with GE and the Chargor, in a manner reasonably satisfactory to GE, to fulfil the role of the Account Bank under this Deed by delivering a signed acknowledgement to a notice substantially in the form of those set out in Part 1 (Notice to Account Bank) and Part 2 (Acknowledgement of Account Bank) of Schedule 1 (Forms of Letter for Collection Account) of this Deed.
- (c) If there is a change of Account Bank, the net amount (if any) standing to the credit of the Collection Accounts maintained with the old Account Bank will be transferred to the corresponding Collection Accounts maintained with the new Account Bank immediately upon the appointment taking effect and the Chargor hereby irrevocably gives all authorisations and instructions necessary for any such transfer to be made.
- (d) The Chargor must, within 5 Business Days of being so requested by GE, take any action which GE may reasonably require to facilitate a change of Account Bank pursuant to Clause 5.2(a) and any transfer of credit balances (including the execution of bank mandate forms) and GE is by

way of security hereby irrevocably constituted the Chargor's attorney to do any such things should the Chargor fail to do so.

5.3 Withdrawals

- (a) Except with the prior consent of GE or as provided below, the Chargor may not withdraw any moneys (including interest) standing to the credit of any Collection Account during the Security Period.
- (b) The Chargor must, at the request of GE, give an instruction to the Account Bank to pay all sums standing to the credit of the Collection Accounts daily to any account as may be specified by GE and procure that: (i) such instruction is acknowledged by the Account Bank; and (ii) the Account Bank agrees not to revoke or amend such instruction without the prior written consent of GE.
- (c) GE (or a Receiver) may withdraw amounts standing to the credit of any Collection Accounts.
- (d) The Chargor shall authorise the Account Bank to deliver to GE all necessary codes, passwords and electronic security devices relating to the Collection Accounts, in order to enable GE to monitor on a daily basis the operations of the Collection Accounts.
- (e) The Chargor shall waive all rights of confidentiality in relation to the Collection Accounts vis-à-vis the Account Bank for the benefit of GE.

5.4 Notices of charge

The Chargor must:

- (a) on the date of this Deed (and promptly upon a change of Account Bank pursuant to clause 5.2 (Change of Account Bank)) give notice to each Account Bank substantially in the form of Part 1 (Notice to Account Bank) of Schedule 1 (Forms of Letter for Collection Account); and
- (b) procure that each Account Bank acknowledges that notice substantially in the form of Part 2 (Acknowledgement of Account Bank) of Schedule 1 (Forms of Letter for Collection Account) on the date of this Deed (and in the case of any notice served after the date of this Deed upon of a change of Account Bank pursuant to clause 5.2 (Change of Account Bank) on the date on which such notice is served).

6. WHEN SECURITY BECOMES ENFORCEABLE

The security constituted by this Deed shall become immediately enforceable upon the occurrence of an Event of Default which is continuing and the power of sale and other powers conferred by law (including under Section 101 of the Act), as varied or amended by this Deed, shall be immediately exercisable upon and at any time after the occurrence of any Event of Default which is continuing. After the security constituted by this Deed has become enforceable in accordance with this Clause 6 (When Security Becomes Enforceable), GE may in its absolute discretion enforce all or any part of the security in any manner it sees fit, and may, in particular, apply all or any of the credit balance standing from time to time on any Collection Account (including all interest accrued on that balance) against all or any part of the Secured Liabilities.

7. ENFORCEMENT OF SECURITY

7.1 General

For the purposes of all powers implied by statute, the Secured Liabilities are deemed to have become due and payable on the date of this Deed and Section 103 of the Act (restricting the power of sale) and Section 93 of the Act (restricting the right of consolidation) do not apply to the security constituted by this Deed.

7.2 Contingencies

If GE enforces the security constituted by this Deed at a time when no Secured Liabilities amounts are due but at a time when Secured Liabilities may or will become so due, GE (or the Receiver) may pay the proceeds of any recoveries effected by it into an interest bearing suspense account with GE such bank as may be designated for this purpose by GE.

7.3 No liability as mortgagee in possession

Neither GE nor any Receiver will be liable, by reason of entering into possession of a Security Asset, to account as mortgagee in possession or for any loss on realisation or for any default or omission for which a mortgagee in possession might be liable.

7.4 Agent of the Chargor

Each Receiver is deemed to be the agent of the Chargor for all purposes and accordingly is deemed to be in the same position as a Receiver duly appointed by a mortgagee under the Act. The Chargor shall be solely responsible for its contracts, engagements, acts, omissions, defaults and losses and for liabilities incurred by him and GE shall not incur any liability (either to the Chargor or to any other person) by reason of GE making its appointment as a Receiver or for any other reason.

7.5 Privileges

Each Receiver and GE is entitled to all the rights, powers, privileges and immunities conferred by the Act on mortgagees and receivers when such receivers have been duly appointed under the Act, except that Section 103 of the Act does not apply.

No person (including a purchaser) dealing with GE or a Receiver or its or his agents will be concerned to enquire:

- (b) whether any power which GE or the Receiver is purporting to exercise has become exercisable; or
- (c) whether any Secured Liabilities remain due; or
- (d) how any money paid to GE or to the Receiver is to be applied.

7.7 Redemption of prior mortgages

At any time after the occurrence of an Event of Default which is continuing, GE may:

- (a) redeem any prior Security Interest against any Security Asset; and/or
- (b) settle and pass the accounts of the prior mortgagee, chargee or encumbrancer; any accounts so settled and passed shall be conclusive and binding on the Chargor.

All principal moneys, interest, costs, and reasonable charges and expenses of and incidental to any such redemption and/or settlement and passing shall be paid by the Chargor to GE on demand.

8. RECEIVER

8.1 Appointment of Receiver

At any time after the occurrence of an Event of Default which is continuing, or if the Chargor so requests GE in writing, at any time, GE may without further notice appoint under seal or in writing under its hand any one or more persons to be a Receiver of all or any part of the Security Assets in like manner in every respect as if GE had become entitled under the Act to exercise the power of sale conferred under the Act.

8.2 Removal

GE may by writing under its hand (subject to any requirement for an order of the court in the case of an administrative receiver):

- (a) remove any Receiver appointed by it; and
- (b) may, whenever it deems it expedient, appoint a new Receiver in the place of any Receiver whose appointment may for any reason have terminated.

8.3 Remuneration

- (b) If there is more than one Receiver holding office at the same time, each Receiver may (unless the document appointing him states otherwise) exercise all of the powers conferred on a Receiver under this Deed individually and to the exclusion of any other Receivers.

The obligations of the Chargor under this Deed will not be affected by any act, omission or thing which, but for this provision, would reduce, release or prejudice any of its obligations under this Deed (whether or not known to it or GE) including:

- (a) any time or waiver granted to, or composition with, any person;
- (b) any release of any person under the terms of any composition or arrangement;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any person;
- (d) any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (e) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of any person;
- (f) any amendment of a Factoring Facility Document; or
- (g) any unenforceability, illegality, invalidity or non-provability of any obligation of any person under any Factoring Facility Document or the failure by any Obligor to enter into or be bound by any Factoring Facility Document.

13.2 Immediate recourse

The Chargor waives any right it may have of first requiring GE (or any agent on its behalf) to proceed against or enforce any other rights or security or claim repayment from any person before claiming from the Chargor under this Deed.

13.3 Right of appropriation

- (a) ~~This Clause 13.3 applies to the extent the Security Assets constitute "financial collateral" and this Deed constitutes a "financial collateral arrangement" (within the meaning of the Financial Collateral Arrangements (No. 2) Regulations 2003).~~
- (b) If and to the extent that this Clause 13.3 applies, GE may appropriate the Security Assets. If GE exercises its right of appropriation then it shall for these purposes value:
 - (i) any relevant Collection Account and the amount standing to the credit of that Collection Account, together with any accrued interest not credited to the Collection Account, at the time of the appropriation; and
 - (ii) any other relevant Security Asset by reference to an independent valuation or other procedure determined by GE, acting reasonably, at the time of the appropriation.

The Chargor must pay or discharge the Secured Liabilities in the manner provided for in the Factoring Facility Documents.

14.2 Tacking

GE must perform its obligations under the Factoring Agreement and the Factoring Facility Documents (including any obligation to make available further advances).

14.3 New Accounts

- (a) If any subsequent charge or other interest affects any Security Asset, GE may open a new account with any Obligor.
- (b) If GE does not open a new account, it will nevertheless be treated as if it had done so at the time when it received or was deemed to have received notice of that charge or other interest.
- (c) As from that time all payments made to GE will be credited or be treated as having been credited to the new account and will not operate to reduce any Secured Liability until the net amount extinguishes liability.

14.4 Perpetuity period

The perpetuity period for the trust in this Deed is 80 years.

15. RELEASE AND REINSTATEMENT

15.1 Release

At the end of the Security Period or if otherwise agreed between the Chargor and GE or provided for under the terms of the Factoring Facility Documents, GE must, at the request and cost of the Chargor, take whatever action is reasonably necessary to release the Security Assets from this Security and permit withdrawals from the Collection Accounts.

15.2 Reinstatement

- (a) Any release, settlement, discharge, re-assignment or arrangement (in this Clause 15, a "release") made by GE on the faith of any assurance, security or payment shall be conditional on that assurance, security or payment not being avoided, reduced, clawed back or ordered to be repaid under any law relating to Insolvency Proceedings.

- (b) If any avoidance, reduction or clawback occurs or order is made as referred to in Clause 15.2(a), then the release given by GE shall have no effect and shall not prejudice the right of GE to enforce this Security in respect of the Secured Liabilities. As between the Chargor and GE, this Security shall (notwithstanding the release) be deemed to have remained at all times in effect and held by GE as security for the Secured Liabilities.

16. COUNTERPARTS

This Deed may be executed in any number of counterparts and all of those counterparts taken together shall be deemed to constitute one and the same instrument.

17. GOVERNING LAW AND JURISDICTION

- (b) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute relating to the existence, validity or termination) of this Deed or any non-contractual obligation arising out of or in connection with this Deed.

This Deed has been entered into and executed as a deed with the intention that it be delivered on the date stated at the beginning of this Deed.
