- (b) Any Security created in the future by a Chargor (except in favour of the Security Agent) shall be expressed to be subject to this Debenture and shall rank in order of priority behind the charges created by this Debenture (except to the extent mandatorily preferred by law).

**3.7 Application to HM Land Registry:** Subject to Clause 3.9 (Charges and *Legal Mortgages*), each Chargor:

- (a) in relation to each register of title of any present and future Land of that Chargor which is charged to the Security Agent under this Deed or pursuant to the further assurance undertakings in the Facilities Agreement, consents to the Security Agent (or its solicitors) at any time submitting to HM Land Registry any and all of the following in accordance with the terms of this Debenture:
  - (i) a form AP1 (*application to change the register*) in respect of the security created by this Debenture;
  - (ii) a form AN1 (*application to enter an agreed notice*) in respect of the security created by this Debenture;
  - (iii) a form RX1 (*application to register a restriction*) in the following terms:

"No disposition of the registered estate by the proprietor of the registered estate is to be registered without a written consent signed by the proprietor for the time being of the charge dated [date] in favour of [Chargee] referred to on the charges register or their conveyancer."; and

**3.8 Restricted Land (excluding Material Real Property and Future Material Real Property):** If a Chargor has an interest in any Restricted Land which does not comprise Material Real Property or Future Material Real Property:

- (a) until the relevant condition, waiver or consent shall have been satisfied or obtained in relation to the creation of a charge created by Clause 3.2 (*Fixed Security*), there shall be excluded from the charges created by Clause 3.2 (*Fixed Security*) (and the further assurance provisions set out in clause 25.17 (*Further Assurance*) of the Facilities Agreement any Land (excluding Material Real Property and Future Material Real Property) held by any Chargor under a lease where (i) the terms of such lease prohibit absolutely the relevant Chargor from creating any charge over such lease, or require the consent of any third party to the creation of such charge; and (ii) such consent has not been previously

obtained (each an "**Excluded Leasehold Property**"). For the avoidance of doubt, once the relevant condition, waiver or consent has been satisfied or obtained, that Land (excluding Material Real Property and Future Material Real Property) shall cease to be an Excluded Leasehold Property.

- (b) With regard to each Excluded Leasehold Property, the relevant Chargor hereby undertakes to use reasonable endeavours to obtain such consent, waiver or prohibition or satisfaction of condition as soon as reasonably practical and within 10 Business Days following a request from the Security Agent following the occurrence of a Default which has been continuing for 10 Business Days (except where such charge is prohibited absolutely under the terms of such lease).
- (c) Immediately upon receipt of the relevant waiver or consent, the relevant formerly Excluded Leasehold Property shall stand charged to the Security Agent under Clause 3.2 (*Fixed Security*). If required by the Security Agent at any time following receipt of that waiver or consent, the relevant Chargor shall execute a valid legal mortgage or charge in such form as the Security Agent shall reasonably require within 10 Business Days of the relevant waiver or consent being granted.

**3.9 Charges and Legal Mortgages:** Notwithstanding anything to the contrary in this Debenture, the Security Agent shall not register any legal charge or mortgage created under or pursuant to this Deed against any Land which is for the time being Restricted Land or does not constitute Material Real Property or Future Material Real Property at the appropriate Land Registry until the Security Agent is directed to do so by the Majority Lenders following the occurrence of a Default which has been continuing for 5 Business Days.

#### **4. CRYSTALLISATION**

**4.1 Crystallisation by notice:** The floating charge created by each Chargor in Clause 3.3 (*Creation of floating charge*) may, subject to Clause 4.5 (*Moratorium Assets*), be crystallised into a fixed charge by notice in writing given at any time by the Security Agent to the relevant Chargor (or to the Company on its behalf) if:

- (a) a Declared Default has occurred and is continuing; or
- (b) the Security Agent in good faith considers that any of the Assets expressed to be charged to the Security Agent by this Debenture may be in danger of being seized or sold pursuant to any form of legal process; or
- (c) a circumstance envisaged by paragraph (a) of Clause 4.2 (*Automatic Crystallisation*) occurs and the Security Agent in good faith considers that such crystallisation is desirable in order to protect the priority of its security.

Such crystallisation shall take effect over the Floating Charge Assets or class of Assets specified in the notice. If no Floating Charge Assets are specified, it shall take effect over all Floating Charge Assets of the relevant Chargor.

**4.2 Automatic crystallisation:** If, without the Security Agent's prior written consent:

- (a) any Chargor, in contravention of any Finance Document, resolves to take or takes any step to:
  - (i) charge or otherwise encumber any of its Floating Charge Assets;
  - (ii) create a trust over any of its Floating Charge Assets; or

- (iii) dispose of any Floating Charge Asset (except by way of sale in the ordinary course of such Chargor's business to the extent that such disposal is not otherwise prohibited by any Finance Document); or
- (b) any person resolves to take or takes any step to seize or sell any Floating Charge Asset pursuant to any form of legal process,

then the floating charge created by Clause 3.3 (*Creation of floating charge*) shall, subject to Clause 4.5 (*Moratorium Assets*), be automatically and instantly crystallised (without the necessity of notice) into a fixed charge over such Floating Charge Asset or, in the case of paragraph (c) above into a fixed charge over all Floating Charge Assets of the relevant Chargor.

- 4.3 **Future Floating Charge Assets:** Except as otherwise stated in any notice given under Clause 4.1 (*Crystallisation by notice*) or unless the crystallisation relates to all its Floating Charge Assets, prospective Floating Charge Assets acquired by any Chargor after crystallisation has occurred under Clause 4.1 (*Crystallisation by notice*) or Clause 4.2 (*Automatic crystallisation*) shall become subject to the floating charge created by Clause 3.3 (*Creation of floating charge*), so that the crystallisation shall be effective only as to the specific Floating Charge Assets affected by the crystallisation.
- 4.4 **Reconversion:** Any charge which has crystallised under Clause 4.1 (*Crystallisation by notice*) or Clause 4.2 (*Automatic crystallisation*) may, by notice in writing given at any time by the Security Agent to the relevant Chargor (or to the Company on its behalf), be reconverted into a floating charge in relation to the Assets specified in such notice.
- 4.5 **Moratorium Assets:** The floating charge created by each Chargor in Clause 3.3 (*Creation of floating charge*) may not be converted into a fixed charge on Assets for which a moratorium is in force if and for so long as such conversion would breach paragraph 13 and/or paragraph 43 of Schedule A1 of the Insolvency Act 1986.

## 5. TITLE DOCUMENTS, INSURANCE POLICIES AND TRANSFERS

- 5.1 **Documents:** Subject to the rights of any prior chargee and except as otherwise expressly agreed in writing by the Security Agent, each Chargor shall:
  - (a) deposit with the Security Agent, and the Security Agent shall be entitled to retain during the continuance of the security created by this Debenture, all deeds and documents of title relating to its Fixed Security Assets that are necessary to give effect to or to perfect the fixed security described in Clause 3.2 (*Fixed Security*), including:
    - (i) certificates of registration;
    - (ii) certificates constituting or evidencing Specified Investments and Specified Intellectual Property;
    - (iii) all deeds and documents of title relating to any Intellectual Property Right which, by virtue of obtaining third party consent pursuant to paragraph (b) of Clause 3.4 (*Third Party Consents*) has ceased to fall within the definition of Restricted IP; and
    - (iv) all deeds and documents of title relating to any Land which by virtue of receipt of the relevant landlord's consent to charge that Land pursuant to paragraph (a) of Clause 3.4 (*Third Party Consents*) has ceased to fall within the definition of Restricted Land.

- (b) as soon as reasonably practicable, and in any event within 5 Business Days of request, execute and deliver to the Security Agent such documents and transfers and give such instructions and perform such other acts as the Security Agent may reasonably require at any time to constitute or perfect an equitable charge or legal mortgage (at the Security Agent's option) over its Specified Investments, including any eligible to participate in a Relevant System.

## 5.2 Insurance:

If any default shall be made by any Chargor at any time in effecting or maintaining any insurance required by the terms of the Facilities Agreement, or if any Chargor fails within 5 Business Days of demand to produce such evidence as the Security Agent reasonably requires to prove such compliance (including copies of insurance policies and/or premium receipts), then:

- (a) the Security Agent may take out or renew such insurances in such sums as the Security Agent reasonably considers to be appropriate (at that Chargor's expense); and
- (b) all money expended by the Security Agent under this provision shall be recoverable by the Security Agent in accordance with Clause 19 (*Costs and Expenses*) and Clause 20 (*Company's Indemnity to Senior Creditors*) of the Intercreditor Agreement.

## 6. RECEIVABLES

- 6.1 **Restriction:** No Chargor shall purport, without the Security Agent's prior written consent, to charge, factor, discount, assign, postpone, subordinate, release or waive its rights in respect of any Receivable in favour of any person or do or omit to do anything which might delay or prejudice its full recovery other than in relation to the commutation of Receivables with its customers in the ordinary course of trade or unless such action is permitted under the Facilities Agreement.

- 6.2 **Factoring:** If the Security Agent releases, waives or postpones its rights in respect of any Receivable to enable a Chargor to factor or discount them to any person (the "**factor**"), the charges created by this Debenture shall in all other respects remain in full force and effect. In particular, all amounts becoming due to such Chargor from the factor and any Receivables reassigned, or due to be reassigned to such Chargor, shall be subject to the charges created by this Debenture, subject only to any defences or rights of set-off which the factor may have against such Chargor.

## 6.3 Collections Account

- (a) Each Chargor shall:
  - (i) collect all Receivables promptly in the ordinary course of trading;
  - (ii) promptly following receipt pay all monies which it receives in respect of the Receivables into any account held in its name (each such account(s) together with all additions to or renewals or replacement thereof (in whatever currency) being a "**Collections Account**"); and
  - (iii) following a Declared Default, hold all monies standing to the credit of each Collection Account on trust for the Security Agent.

- (b) Following a Declared Default:
  - (i) each Chargor shall deal with the Receivables (both collected and uncollected) and the Collections Accounts in accordance with any directions given in writing form time to time by the Security Agent and in default of and subject to such directions, in accordance with this Deed;
  - (ii) each Chargor shall deliver to the Security Agent such information as to the amount and nature of its Receivables as the Security Agent may from time to time reasonably require (taking into account the requirements of the Finance Documents).
- (c) Prior to the occurrence of a Declared Default, each Chargor shall be entitled to withdraw (or direct any transfer of) all or part of the monies in any Collection Account at its sole direction.
- (d) On and after the occurrence of a Declared Default, no Chargor shall withdraw, attempt or be entitled to withdraw (or direct any transfer of) all or any part of the monies in any Collection account without the prior written consent of the Security Agent and the security Agent shall be entitled (in its absolute direction) to refuse to permit any such withdrawal of transfer.
- (e) If the right of a Chargor to withdraw the proceeds of any receivables standing to the creditor of a Collection Account results in the charge over that Collection Account being characterised as a floating charge, that will not affect the nature of any other fixed security created by any Chargor under this Deed on all its outstanding Receivables.

## **7. NEGATIVE PLEDGE AND OTHER RESTRICTIONS**

Without the prior written consent of the Security Agent, except as specifically permitted by the Facilities Agreement, no Chargor shall:

- (a) create, or agree or attempt to create, or permit to subsist, any Security or any trust over any of its Assets; or
- (b) sell, assign, lease, license or sub-license, or grant any interest in, any of its Fixed Security Assets, or part with possession or ownership of them, or purport or agree to do so.

## **8. RIGHT OF APPROPRIATION**

**8.1 Financial Collateral Arrangement:** The Parties acknowledge and intend that the charges over each Chargor's Financial Collateral provided under or pursuant to this Debenture will each constitute a "security financial collateral arrangement" for the purposes of the Financial Collateral Regulations.

**8.2 Right of Appropriation:** The Security Agent may, on or at any time after the security constituted by this Debenture becomes enforceable in accordance with its terms, by notice in writing to the relevant Chargor appropriate with immediate effect all or any of its Financial Collateral charged by this Debenture which is subject to a security financial collateral arrangement (within the meaning of the Financial Collateral Regulations) and apply it in or towards the discharge of the Secured Sums, whether such Assets are held by the Security Agent or otherwise.

**8.3 Value:** The value of any Financial Collateral appropriated under Clause 8.2 shall be:

- (a) in the case of cash, its face value at the time of appropriation; and
- (b) in the case of financial instruments or other financial collateral, their market value at the time of appropriation as determined (after appropriation) by the Security Agent by reference to a public index or other applicable generally recognised source or such other process as the Security Agent may reasonably select, including a valuation carried out by an independent firm of accountants or valuers appointed by the Security Agent;

as converted, where necessary, into sterling at a market rate of exchange prevailing at the time of appropriation selected by the Security Agent.

**8.4 Surplus or Shortfall:** The Security Agent will account to the relevant Chargor for any amount by which the value of the appropriated Assets exceeds the Secured Sums and the Chargors shall remain liable to the Security Agent for any amount by which the value of the appropriated Assets is less than the Secured Sums.

**8.5 Confirmation:** Each Chargor agrees that the method of valuing Financial Collateral under Clause 8.3 is commercially reasonable.

## **9. CONTINUING SECURITY**

This Debenture shall be a continuing security for the Secured Parties, notwithstanding any intermediate payment or settlement of accounts or other matter whatever, and shall be in addition to and shall not prejudice or be prejudiced by any right of set-off, combination, lien or other rights exercisable by any Secured Party as banker against any Chargor or any security, guarantee, indemnity and/or negotiable instrument now or in the future held by any Secured Party.

## **10. LAND**

**10.1 Positive Covenants:** Each Chargor covenants that it shall:

- (a) **Compliance with lease:** punctually pay the rents reserved by and observe and perform in all material respects the other material covenants, agreements or obligations on its part to be observed and performed which are contained in any lease, agreement for lease, tenancy agreement or licence to occupy relating to any Land and, to the extent that it makes commercial sense to do so, enforce the observance and performance by the landlord or licensor of its material obligations under any such document; and
- (b) **Acquisitions:** notify the Security Agent promptly following its acquisition of any Land.

**10.2 Supplemental Legal Mortgage:** If, at any time and from time to time, a Chargor has any interest in any Land which is registered at HM Land Registry (or which would be subject to first registration at HM Land Registry on the creation of a mortgage over it), but which is not Restricted Land at that time, and which (for any reason) is also not subject to a legal mortgage under this Debenture or under any Deed of Accession at that time, the relevant Chargor will, to the extent required to do so by (and in accordance with) clause 25.17 (*Further Assurance*) of the Facilities Agreement, promptly execute and deliver to the Security Agent a supplemental legal mortgage, in the agreed terms, over that Land as security for the Secured Sums.

**10.3 Negative covenants:** No Chargor shall (without the prior written consent of the Security Agent):

- (a) **No onerous obligations:** enter into any onerous or restrictive obligation affecting its Land or create or permit to arise any overriding interest or any easement or right whatever in or over it which, in each case, would be reasonably likely to affect materially and adversely its value or the value of the Security constituted by this Debenture over it; or
- (b) **No sharing:** share the occupation of any Land with any other person (or agree to do so) to the extent that to do so would materially adversely affect (i) the value of such Land; or (ii) the interests of the Secured Parties.

10.4 **Consolidation of Mortgages:** Section 93 of the Law of Property Act 1925, dealing with the consolidation of mortgages, shall not apply to this Debenture.

## 11. INTELLECTUAL PROPERTY RIGHTS

11.1 **Filings and registrations:** Each Chargor shall, as soon as reasonably practicable and in any event within 15 Business Days following the date of this Debenture, file and register at any relevant patent, trade mark or other intellectual property register or authority as may be available for the purpose (to the extent that such register or authority is located in the jurisdiction of incorporation of a Material Company and including, if appropriate the European Patents Office and Office of Harmonisation for the Internal Market) in such name as may be required by the law of the place of registration, such of the following as must be filed or registered there in order to register or perfect the Security created under this Debenture or to give notice to third parties to protect the priority of the security created by this Debenture:

- (a) this Debenture;
- (b) if so requested by the Security Agent, all licences of Intellectual Property granted to or acquired by it; and
- (c) all future assignments, mortgages and/or charges of Intellectual Property Rights made pursuant to this Debenture,

and, to the extent necessary to register or perfect the Security created under this Debenture or to give notice to third parties to protect the priority of the security created by this Debenture, maintain or renew such filings and registrations where applicable.

11.2 **Negative covenants:** Without the prior written consent of the Security Agent, no Chargor shall:

- (a) **Trade marks:** amend the specification of any registered trade mark included in its Intellectual Property Rights; or
- (b) **Patents:** amend the specification or drawings referred to in any granted patent;

to the extent that any such amendment would be prejudicial to the Security created in favour of the Secured Parties pursuant to the terms of this Debenture.

## 12. SPECIFIED INVESTMENTS

12.1 **Voting and other rights:** Each Chargor undertakes not to exercise any voting powers or rights in a way which would be reasonably likely to prejudice the value of its Specified Investments or otherwise to jeopardise the Security constituted by this Debenture over them.

**12.2 Before Enforcement:** Unless and until the occurrence of a Declared Default:

- (a) all voting powers and rights attaching to Specified Investments (including Derivative Rights) belonging to a Chargor shall continue to be exercised by such Chargor for so long as it remains their registered owner and such Chargor shall not permit any person other than such Chargor, the Security Agent or the Security Agent's nominee to be registered as holder of such Specified Investments or any part of them; and
- (b) if Specified Investments belonging to a Chargor are registered in the name of the Security Agent or the Security Agent's nominee, all voting powers and rights attaching to them (including Derivative Rights) shall be exercised by the Security Agent or the Security Agent's nominee in accordance with instructions in writing from time to time received from such Chargor and, in the absence of any such instructions, the Security Agent or the Security Agent's nominee shall not exercise any such rights.
- (c) At any time when any Specified Investment is registered in the name of the Security Agent or its nominee, the Security Agent shall be under no duty to:
  - (i) ensure that any dividends, distributions or other monies payable in respect of any such Specified Investment are duly and promptly paid or received by it or its nominee;
  - (ii) verify that the correct amounts are paid or received; or
  - (iii) take any action in connection with the taking up of any (or any offer of any) Related Rights in respect of or in substitution for any such Specified Investment.

**12.3 After Enforcement:** At any time after the occurrence of a Declared Default:

- (a) the Security Agent may, for the purposes of protecting its interests in relation to the Secured Sums and preserving the value of the security created by this Debenture (in each case in its absolute discretion) and/or realising the security created by this Debenture, exercise (but is not obliged to exercise) in the name of a Chargor or otherwise and without any further consent or authority on the part of any Chargor, all voting powers and rights attaching to the Specified Investments (including Derivative Rights) as it sees fit, including any rights to nominate or remove a director, as if the Security Agent were the sole beneficial owner of the Specified Investments;
- (b) all Derivative Rights shall, if received by a Chargor or the Security Agent's nominee, be held on trust for and forthwith paid or transferred to the Security Agent; and
- (c) each Chargor shall (and shall procure that the Security Agent's nominees shall) accept short notice for and attend any shareholders meetings relating to the Specified Investments, appoint proxies and exercise voting and other rights and powers exercisable by the holders of the Specified Investments as the Security Agent may direct from time to time as it sees fit for the purpose of protecting its interests in relation to the Secured Sums.

For the avoidance of doubt, unless and until the Security Agent takes any steps to exercise any voting powers or rights attaching to the Specified Investments after

becoming entitled (but not obliged) to do so under this Clause, all such powers and rights remain with the relevant Chargor.

**12.4 Nominee holding Specified Investments:** Each Chargor covenants with the Security Agent that it shall (at its own expense) procure that any person holding Specified Investments as that Chargor's nominee or to its order shall execute and deliver to the Security Agent or as it directs a letter substantially in the form set out in Schedule 7 (*Form of Nominee's Undertaking*);

**12.5 Negative covenant:** Each Chargor covenants with the Security Agent that it will not, without the prior written consent of the Security Agent consent to its Specified Investments being consolidated, sub-divided or converted or any rights attached to them being varied, unless permitted pursuant to the terms of the Facilities Agreement.

### **13. OPENING OF NEW ACCOUNTS**

**13.1 Creation of new account:** On receiving notice that any Chargor has granted Security over or otherwise encumbered or disposed of any of its Assets in contravention of any Finance Document, a Secured Party may rule off all its accounts and open new accounts with such Chargor.

**13.2 Credits to new account:** If a Secured Party does not open a new account immediately on receipt of such notice, it shall nevertheless be treated as if it had done so on that day. From that day, all payments made by the Chargor to that Secured Party shall be treated as having been credited to a new account and shall not operate to reduce the amount owing from the Chargor to such Secured Party at the time when it received such notice.

### **14. POWERS OF SALE, LEASING AND ACCEPTING SURRENDERS**

**14.1 Section 103 of the LPA:** Section 103 of the Law of Property Act 1925 shall not apply to this Debenture, and the statutory power of sale shall arise on, and be exercisable at any time after, the execution of this Debenture. However, the Security Agent shall not exercise such power of sale until this Debenture has become enforceable.

**14.2 Powers of sale extended:** The statutory powers of sale, leasing and accepting surrenders exercisable by the Security Agent by virtue of this Debenture are extended so as to authorise the Security Agent (whether in its own name or that of the Chargor concerned) to:

- (a) grant a lease of any Land vested in a Chargor or in which it has an interest on such terms and conditions as the Security Agent shall think fit; and
- (b) sever any fixtures from Land vested in a Chargor and sell them separately.

### **15. APPOINTMENT OF A RECEIVER OR AN ADMINISTRATOR**

**15.1 Appointment:** Paragraph 14 of Schedule B1 to the Insolvency Act 1986 shall apply to this Debenture and the floating charges contained in this Debenture. At any time after:

- (a) the occurrence of a Declared Default;
- (b) in relation to any Chargor, a step or proceeding is taken, or a proposal made in writing, for the appointment of an administrator or for a voluntary arrangement under Part I of the Insolvency Act 1986; or

- (c) a request has been made by the Company and/or a Chargor to the Security Agent for the appointment of a Receiver or an administrator over its Assets or in respect of a Chargor,

then this Debenture shall become enforceable and, notwithstanding the terms of any other agreement between such Chargor and any Secured Party, the Security Agent may (unless precluded by law) appoint in writing any person or persons to be a receiver or a receiver and manager (or receivers or receivers and managers) of all or any part of the Assets of such Chargor or, an administrator or administrators of such Chargor, as the Security Agent may choose in its entire discretion.

- 15.2 **Power to act separately:** Where more than one Receiver or administrator is appointed, the appointees shall have power to act separately unless the Security Agent shall specify to the contrary.
- 15.3 **Receiver's remuneration:** The Security Agent may from time to time determine the remuneration of a Receiver.
- 15.4 **Removal of Receiver:** The Security Agent may (subject to section 45 of the Insolvency Act 1986) remove a Receiver from all or any of the Assets of which he is the Receiver.
- 15.5 **Further appointments of a Receiver:** Such an appointment of a Receiver shall not preclude:
  - (a) the Security Agent from making any subsequent appointment of a Receiver over all or any Assets over which a Receiver has not previously been appointed or has ceased to act; or
  - (b) the appointment of an additional Receiver to act while the first Receiver continues to act.
- 15.6 **Receiver's agency:** The Receiver shall be the agent of the relevant Chargor (which shall be solely liable for his acts, defaults and remuneration) unless and until such Chargor goes into liquidation, after which time he shall act as principal and shall not become the agent of the Security Agent or any other Secured Party.

## 16. **POWERS OF A RECEIVER**

The Receiver may exercise, in relation to each Chargor over whose Assets he is appointed, all the powers, rights and discretions set out in Schedules 1 and 2 to the Insolvency Act 1986 and in particular, by way of addition to and without limiting such powers, the Receiver may, with or without the concurrence of others:

- (a) sell, lease, let, license, grant options over and vary the terms of, terminate or accept surrenders of leases, licences or tenancies of, all or any of the Assets of the relevant Chargor, without the need to observe any of the provisions of Sections 99 and 100 of the Law of Property Act 1925, in such manner and generally on such terms and conditions as he shall think fit in his absolute and unfettered discretion and any such sale or disposition may be for cash, Investments or other valuable consideration (in each case payable in a lump sum or by instalments) and carry any such transactions into effect in the name of and on behalf of such Chargor;
- (b) promote the formation of a Subsidiary of the relevant Chargor with a view to such Subsidiary purchasing, leasing, licensing or otherwise acquiring interests in all or any of the Assets of such Chargor;

- (c) sever any fixtures from Land and/or sell them separately;
- (d) exercise all voting and other rights attaching to Investments owned by the relevant Chargor;
- (e) arrange for the purchase, lease, licence or acquisition of all or any Assets of the relevant Chargor by any Subsidiary contemplated by paragraph (b) above on a basis whereby the consideration may be for cash, Investments, shares of profits or sums calculated by reference to profits or turnover or royalties or licence fees or otherwise, whether or not secured on the assets of such Subsidiary and whether or not such consideration is payable or receivable in a lump sum or by instalments over such period as the Receiver may think fit;
- (f) make any arrangement or compromise with any Secured Party or others as he shall think fit;
- (g) make and effect all repairs, renewals and improvements to the Assets of the relevant Chargor and effect, renew or increase insurances on such terms and against such risks as he shall think fit;
- (h) appoint managers, officers and agents for the above purposes at such remuneration as the Receiver may determine;
- (i) redeem any prior encumbrance and settle and pass the accounts of the encumbrancer and any accounts so settled and passed shall (subject to any manifest error) be conclusive and binding on the relevant Chargor and the money so paid shall be deemed an expense properly incurred by the Receiver;
- (j) pay the proper administrative charges of any Secured Parties in respect of time spent by their agents and employees in dealing with matters raised by the Receiver or relating to the receivership of the relevant Chargor;
- (k) commence and/or complete any building operations upon any Land of the relevant Chargor and apply for and obtain any planning permissions, building regulation consents or licences, in each case as he may in his absolute discretion think fit;
- (l) take all steps necessary to effect all registrations, renewals, applications and notifications as the Receiver may in his discretion think prudent to maintain in force or protect any of the relevant Chargor's Intellectual Property Rights; and
- (m) do all such other acts and things as may be considered by the Receiver to be incidental or conducive to any of the above matters or powers or otherwise incidental or conducive to the preservation, improvement or realisation of the relevant Assets.

## 17. POWER OF ATTORNEY

- 17.1 **Appointment of attorney:** Each Chargor, by way of security and to more fully secure the performance of its obligations under the Transaction Security Documents, hereby irrevocably appoints the Security Agent and separately any nominee and/or any Receiver to be its attorney (with full power to appoint substitutes and to delegate) with power in its name and on its behalf, and as its act and deed or otherwise (whether or not a Receiver or administrator has been appointed) to:

- (a) do anything which that Chargor is obliged to do in accordance with the terms of any Transaction Security Document, including to execute and deliver and otherwise perfect any agreement, assurance, deed, instrument or document; and
- (b) enable the Security Agent or any such nominee and/or Receiver to exercise (or to delegate) all or any of the rights conferred on it by any Transaction Security Document or by statute in relation to that Transaction Security Document or the Assets charged, or purported to be charged, by it:

in each case either following the occurrence of a Declared Default, or if such Chargor has failed to comply with its obligations under the Transaction Security Documents and such failure to comply has not been remedied within 5 Business Days of the Security Agent giving notice to such Chargor.

**17.2 Ratification:** Each Chargor ratifies and confirms whatever any attorney does or purports to do pursuant to his appointment under this Clause.

**17.3 Sums recoverable:** All sums expended by the Security Agent, any nominee and/or any Receiver under this Clause 17 shall be recoverable from each Chargor under the terms of Clause 19 (*Costs and Expenses*) and Clause 20 (*Company's Indemnity to Senior Creditors*) of the Intercreditor Agreement.

**18. OTHER POWERS EXERCISABLE BY THE SECURITY AGENT**

**18.1 Receiver's powers:** All powers of a Receiver conferred by this Debenture may be exercised by the Security Agent after this Debenture has become enforceable. In that event, paragraph (i) of Clause 16 (*Powers of Receiver*) shall be read and construed as if the words "be charged on the Assets of the relevant Chargor" were substituted for the words "be deemed an expense properly incurred by the Receiver".

**18.2 Receipt of debts:** Following the occurrence of a Declared Default, the Security Agent, its nominee or any manager, officer or agent of the Security Agent is hereby irrevocably empowered to:

- (a) receive all trade debts and other debts and claims which may be assigned to the Security Agent pursuant to this Debenture and/or under any other Transaction Security Document;
- (b) on payment give an effectual discharge for them and on non-payment to take and institute (if the Security Agent in its sole discretion so decides) all steps and proceedings either in the name of the relevant Chargor or in the name of the Security Agent for their recovery; and
- (c) agree accounts and make allowances and give time to any surety.

Each Chargor ratifies and confirms whatever the Security Agent or any manager or officer of the Security Agent shall do or purport to do under this Clause.

**18.3 Security Agent's powers:** The Security Agent shall have no liability or responsibility to any Chargor arising out of the exercise or non-exercise of the powers conferred on it by this Clause 18, except for gross negligence or wilful default.

**18.4 No duty of enquiry:** The Security Agent need not enquire as to the sufficiency of any sums received by it in respect of any debt or claim or make any claim or take any other action to collect in or enforce them.

**19. APPLICATION OF MONEY RECEIVED BY THE SECURITY AGENT OR A RECEIVER**

- 19.1 Order of priority:** Any money received or realised under the powers conferred by this Debenture shall be paid or applied in accordance with the terms of the Intercreditor Agreement.
- 19.2 Suspense account:** Until all the Secured Sums have been unconditionally and irrevocably paid and discharged in full, the Security Agent may place and keep to the credit of a suspense account any money received from or realised in respect of any Chargor's liability under this Debenture. The Security Agent shall have no intermediate obligation to apply such money in or towards the discharge of any of the Secured Sums. Amounts standing to the credit of any such suspense account shall bear interest at a rate considered by the Security Agent in good faith to be a fair market rate.
- 19.3 Discretion to apply:** Until all Secured Sums have been unconditionally and irrevocably paid and discharged in full, the Security Agent may refrain from applying or enforcing any other moneys, security or rights held by it in respect of the Secured Sums or may apply and enforce such moneys, security or rights in such manner and in such order as it shall decide in its unfettered discretion.

**20. PROTECTION OF THIRD PARTIES**

- 20.1 No duty to enquire:** No purchaser from, or other person dealing with, the Security Agent, its nominee or any Receiver or administrator appointed under this Debenture shall be concerned to enquire whether any of the powers which the Security Agent has exercised or purported to exercise has arisen or become exercisable, or whether this Debenture has become enforceable, or whether any nominee, Receiver or administrator has been validly appointed, or whether any event or cause has happened to authorise the Security Agent, any nominee or a Receiver or administrator to act or as to the propriety or validity of the exercise or purported exercise of any such power, and the title of such a purchaser and the position of such a person shall not be impeachable by reference to any of those matters.
- 20.2 Receipt:** The receipt of the Security Agent shall be an absolute and a conclusive discharge to a purchaser and shall relieve him of any obligation to see to the application of any money paid to or by the direction of the Security Agent.

**21. PROTECTION OF THE SECURITY AGENT, ANY NOMINEE AND RECEIVER**

- 21.1 Limitation:** Neither the Security Agent nor any nominee nor Receiver shall be liable in respect of any Liability which arises out of the exercise or the purported exercise of, or the failure to exercise, any of their respective powers under or by virtue of this Debenture, except if and in so far as such Liability results from its own gross negligence or wilful default.
- 21.2 Entry into possession:** Without prejudice to the generality of Clause 21.1 (*Limitation*), neither the Security Agent, any nominee nor any Receiver shall be liable to account as mortgagee in possession or otherwise for any sum not actually received by it or him respectively. If and whenever the Security Agent, or any nominee enters into possession of any Assets, it shall be entitled at any time at its discretion to go out of possession.

**22. SECURITY AGENT**

- 22.1 Security Agent as trustee:** The Security Agent declares itself to be a trustee of this Debenture (and any other Security created in its favour pursuant to this Debenture) for the

22.3 **No partnership:** Nothing in this Debenture shall constitute or be deemed to constitute a partnership between any of the Secured Parties and the Security Agent.

23. **INTEREST ON OVERDUE AMOUNTS**

Any amount not paid in accordance with this Debenture when due shall carry interest at the rate and in accordance with the terms contained in the relevant Finance Document in relation to overdue sums or at such other rate as may be agreed between the relevant Chargor and Secured Party from time to time.

24. **SET-OFF**

24.1 After the occurrence of an Event of Default which is continuing, the Security Agent may (but is not obliged to) retain any money it is holding (in any capacity) standing to the credit of any Chargor in any currency upon any account or otherwise (whether or not in such Chargor's name) as cover for any Secured Sums and/or at any time or times without notice to such Chargor set off all or any of such money against all or such part of the Secured Sums due, owing or incurred by that Chargor as the Security Agent may select. If the obligations are in different currencies, the Security Agent may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

24.2 An Ancillary Lender may (but is not obliged to), to the extent permitted and in a manner consistent with the Ancillary Documents and/or any other Finance Document, retain any money standing to the credit of any Chargor with that Ancillary Lender in any currency upon any account or otherwise (whether or not in such Chargor's name) as cover for any Ancillary Outstandings owed to that Ancillary Lender and/or at any time or times without notice to such Chargor set off against, or combine or consolidate all or any of such money with, all or such part of the Ancillary Outstandings due, owing or incurred by that Chargor (whether as principal or as surety) as that Ancillary Lender may select and that Ancillary Lender may purchase with any such money any other currency required to effect such set-off, combination or consolidation.

25. **TRANSFER BY A SECURED PARTY**

(a) Any Secured Party may at any time assign and transfer all or any of its rights in relation to this Debenture to any person or otherwise grant an interest in them to any person to the extent that it is permitted to transfer its rights under the terms of the Facilities Agreement.

(b) The Security Agent may assign and transfer all of its rights and obligations under this Debenture to any replacement Security Agent appointed in accordance with the Intercreditor Agreement. Upon such assignment and transfer becoming effective, the replacement Security Agent shall be, and be deemed to be, acting as agent and trustee for each of the Secured Parties (including itself) for the purposes of this Debenture in replacement of the previous Security Agent.

**26. ACCESSION OF A NEW CHARGOR**

- (b) certified extracts from the minutes of a meeting of its Board of Directors evidencing the due authorisation and execution of the Deed of Accession and Charge and any other conditions precedent required by the Finance Documents.

**26.2 New Chargor bound:** The New Chargor shall become a Chargor under this Debenture with effect from the time when the Deed of Accession and Charge takes effect, at which point:

- (a) the New Chargor shall become bound by all the terms of this Debenture and shall assume the same obligations as "Chargor" as if it were an original Party to this Debenture; and
- (b) the other Chargors shall assume the same obligations in respect of the New Chargor as if it were an original Party to this Debenture.

**27. RELEASE OF SECURITY**

**27.1 Redemption:** Subject to Clause 27.2 (*Avoidance of Payments*), if all Secured Sums have been irrevocably paid in full and none of the Secured Parties are under any further actual or contingent liability to make advance or provide other financial accommodation to any person under any Finance Document, the Security Agent will (at the request and cost of the Chargors), execute and do all such reasonable acts as may be necessary to release the Assets from the Security constituted by this Debenture.

**27.2 Avoidance of Payments:** If the Security Agent considers in good faith that any amount received in payment or purported payment of the Secured Sums is capable of being avoided or reduced by virtue of any insolvency, bankruptcy, liquidation or other similar laws, the liability of each Chargor under this Debenture and the Security constituted by this Debenture shall continue and such amount shall not be considered to have been irrevocably paid.

**28. THIRD PARTY RIGHTS**

**28.1 Directly enforceable rights:** Pursuant to the Contracts (Rights of Third Parties) Act 1999:

- (a) the provisions of Clause 24 (*Set-off*), and Clause 25 (*Transfer by a Secured Party*) shall be directly enforceable by a Secured Party;

Party shall have any right by virtue of either the Contracts (Rights of Third Parties) Act 1999 or any other provision of English law under which rights might accrue to persons other than a Party, to enforce any term (express or implied) of this Debenture.

- 28.3 **Rights of the Parties to vary:** The Parties (or the Company, on behalf of the Chargors, and the Security Agent (on behalf of the Secured Parties)) may by agreement vary any term of this Debenture (including this Clause 28) without the necessity of obtaining any consent from any other person.

- 30.3 **Illegality, invalidity, unenforceability:** Any provision of this Debenture which is or becomes illegal, invalid or unenforceable shall be ineffective only to the extent of such illegality, invalidity and unenforceability, without invalidating the remaining provisions of this Debenture.
- 30.4 **Variations:** No variation of this Debenture shall be valid and constitute part of this Debenture, unless such variation shall have been made in writing and signed by the Security Agent (on behalf of the Secured Parties) and the Company (on behalf of the Chargors) or by all Parties.
- 30.5 **Consents:** Save as otherwise expressly specified in this Debenture, any consent of the Security Agent may be given absolutely or on any terms and subject to any conditions as the Security Agent may determine in its entire discretion.

31. **COUNTERPARTS**

This Debenture may be executed in any number of counterparts, and this has the same effect as if the signatures were on a single copy of this Debenture.

32. **NOTICES**

- 32.1 **Notices provision:** Any communications to be made under or in connection with this Debenture shall be made in accordance with the notice provisions of the Facilities Agreement.
- 32.2 **Addresses:** If no address and fax number has been provided for any Chargor under the Facilities Agreement, then the address and fax number (and the officer, if any, for whose attention the communication is to be made) of each Chargor for any communication or document to be made or delivered under or in connection with the Finance Documents is that identified with its name in Schedule 1 (*The Chargors*) or any substitute address, fax number or department or officer as that Chargor may notify to the Security Agent by not less than five Business Days' notice.

**33. SECURITY AGENT**

The provisions of Clause 17 (*The Security Agent*) and Clause 25 (*Consents, Amendments and Override*) of the Intercreditor Agreement shall apply to the Security Agent's rights, obligations and duties under this Debenture as if set out in this Debenture in full. For the avoidance of doubt, in exercising its obligations under this Debenture, the Security Agent shall have the benefit of all rights and protections granted to it under the Intercreditor Agreement.

**THIS DEED WITNESSES as follows:**

**1. DEFINITIONS AND INTERPRETATION**

- 1.1 **Incorporation:** Words or expressions defined in the Principal Deed and principles of interpretation provided for in the Principal Deed shall, unless the context otherwise requires or unless otherwise re-defined below, have the same meaning and shall apply (as the case may be) in this Deed.

- 1.2 **Additional Definitions:** In this Deed:

**"Intellectual Property"** means patents (including supplementary protection certificates), utility models, registered and unregistered trade marks (including service marks), rights in passing off, copyright, database rights, registered and unregistered rights in designs (including in relation to semiconductor products) anywhere in the world and, in each case, any extensions and renewals of, and any applications for, such rights.

**"Restricted Land"** means any leasehold property held by the New Chargor under a lease which precludes either absolutely or conditionally the New Chargor from creating a mortgage or charge over its leasehold interest in that property and in respect of which consent has not yet been obtained pursuant to Clause 3.4(a) (*Third Party Consents*) of the Principal Deed.

[\*\*\* **"Specified Intellectual Property"** means [ ] \*\*\*].

- 2.2 **Covenant to pay:** The New Chargor (as primary obligor and not merely as surety) covenants with the Security Agent that it will, on the Security Agent's written demand, pay or discharge the Secured Sums when due at the times and in the manner provided in the relevant Finance Documents.
- 2.3 **Proviso:** The covenants contained in this Clause and the security created by this Deed shall not extend to or include any liability or sum which would otherwise cause any such covenant or security to be unlawful or prohibited by any applicable law.

- 5.1 [ \*\*\* *Incorporate in the execution copy of the deed of accession the final text from Clause 3.3 of the Principal Deed with consequential amendments* \*\*\* ]
- 5.2 The parties agree (without limitation to the general nature of the New Chargor's accession to the Principal Deed contained in Clause 2) that the crystallisation provisions contained in Clause 4 of the Principal Deed shall equally apply to the floating charge contained in this Deed as if set out in full in this Deed.

---

1 The New Chargor will also need to accede to the Facilities Agreement to, inter alia, give cross-guarantees of the indebtedness of the other Chargors.

**6. NEGATIVE PLEDGE AND OTHER RESTRICTIONS**

Without the prior written consent of the Security Agent, except as specifically permitted by the Facilities Agreement, the New Chargor shall not:

- (a) create, or agree or attempt to create, or permit to subsist, any Security or any trust over any of its Assets; or
- (b) sell, assign, lease, license or sub-license, or grant any interest in, any of its Fixed Security Assets, or part with possession or ownership of them, or purport or agree to do so.

**7. RIGHT OF APPROPRIATION**

7.1 The parties acknowledge and intend that the charges over the New Chargor's Financial Collateral provided under or pursuant to this Deed will each constitute a "security financial collateral arrangement" for the purposes of the Financial Collateral Regulations.

7.2 The Security Agent may, on or at any time after the security constituted by this Deed becomes enforceable in accordance with the terms of the Principal Deed, by notice in writing to the New Chargor appropriate with immediate effect all or any of its Financial Collateral hereby charged which is subject to a security financial collateral arrangement (within the meaning of the Financial Collateral Regulations) and apply it in or towards the discharge of the Secured Sums, whether such Assets are held by the Security Agent or otherwise.

7.3 The value of any Financial Collateral appropriated under Clause 7.2 shall be:

- (a) in the case of cash, its face value at the time of appropriation; and
- (b) in the case of financial instruments or other financial collateral, their market value at the time of appropriation as determined (after appropriation) by the Security Agent by reference to a public index or other applicable generally recognised price source or such other process as the Security Agent may reasonably select, including a valuation carried out by an independent firm of accountants or valuers appointed by the Security Agent;

as converted, where necessary, into sterling at a market rate of exchange prevailing at the time of appropriation selected by the Security Agent.

7.4 The Security Agent will account to the New Chargor for any amount by which the value of the appropriated Assets exceeds the Secured Sums and the New Chargor shall remain liable to the Security Agent for any amount by which the value of the appropriated Assets is less than the Secured Sums.

7.5 The New Chargor agrees that the method of valuing such Financial Collateral under Clause 7.3 is commercially reasonable.

**8. APPLICATION TO HM LAND REGISTRY**

The New Chargor:

- (a) in relation to each register of title of any present and future Land of the New Chargor which is charged to the Security Agent under this Deed, consents to the Security Agent (or its solicitors) at any time submitting to HM Land Registry in accordance with the terms of the Principal Deed:

- (i) a form AP1 (*application to change the register*) in respect of the security created by this Deed;
  - (ii) a form AN1 (*application to enter an agreed notice*) in respect of the security created by this Deed;
  - (iii) a form RX1 (*application to register a restriction*) in the following terms:

"No disposition of the registered estate by the proprietor of the registered estate is to be registered without a written consent signed by the proprietor for the time being of the charge dated [date] in favour of [Chargee] referred to on the charges register or their conveyancer."; and
  - (iv) a form CH2 (*application to enter an obligation to make further advances*); and
- (b) covenants to submit an application to the appropriate Land Registry for the first registration of any unregistered Land in England and Wales mortgaged by Clause 4 (*Fixed security*) at its own expense, immediately following its execution of this Deed.
