STATEMENT OF DIRECTOR'S RESPONSIBILITIES

The director is responsible for preparing the director's report and the financial statements in accordance with applicable law and regulations.

Company law requires the director to prepare financial statements for each financial year. Under that law the director has elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the director must not approve the financial statements unless he is satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the director is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable him to ensure that the financial statements comply with the Companies Act 2006. He is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Respective responsibilities of directors and auditors

As explained more fully in the statement of director's responsibilities on page 3 the director is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. - the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2010

1. Principal accounting policies

The financial statements are prepared on a going concern basis under the historical cost convention, in accordance with the Companies Act 2006 and applicable accounting standards (United Kingdom Generally Accepted Accounting Practice). A summary of the principal accounting policies applied in preparing the financial statements of the company is set out below:

(a) Investment in the Partnership

The company's Partnership interest is stated at cost less provision for impairment in value.

(b) Cash flow statement

As permitted by FRS 1 (revised) no cash flow statement is presented as the company is a wholly owned subsidiary undertaking of Provident Financial plc and is included in the consolidated financial statements of Provident Financial plc which are publicly available.

(c) Income from interest in fixed asset investment

In each year the company recognises as income a share of the net profits of the Partnership for the same year. This share is calculated on an accruals basis in proportion to the company's contribution to the Partnership's capital.

2. Loss on ordinary activities before taxation

The company does not employ any staff. Auditors' remuneration of £298 (2009: £283) is included in the operating loss for the year.

3. Investment in the Partnership

As a limited partner, the company has contributed 8.325% of the capital of the Partnership, an entity which holds a beneficial leasehold interest in office accommodation.

Under partnership law, there is a possibility that the company may, in certain circumstances, be required to re-contribute to the Partnership some or all of the capital previously returned to it by the Partnership (in total £8,741,250). No liability is expected to arise.

4. Director's emoluments

The emoluments of the director are paid by the ultimate parent company, Provident Financial plc, which makes no recharge to the company (2009: no recharge). The director of the company is also director of a number of subsidiary companies and it is not possible to make an accurate apportionment of his services in relation to the company.

Retirement benefits accrue to one director (2009: one director) under a money purchase scheme.

One director (2009: no director) exercised share options over shares of the company's ultimate parent company, Provident Financial plc.

The company is considered to have no ability to service or repay such loans.

The company has the power and authority at any time to purchase all or any of these shares for an aggregate consideration of £1.
