ATR LIFTING SOLUTIONS LIMITED

STRATEGIC REPORT

FOR THE YEAR ENDED 31 OCTOBER 2015

Principal activities

The principal activity of the company includes the sale, rental, repair and inspection of lifting equipment, the manufacturing and repair of slings (wire rope, chain and webbing) to the offshore oil and gas industry.

Review of the business

Conditions in oil and gas markets during 2015 were challenging as commodity prices significantly dropped due to an imbalance between supply and demand across the global market. Against a resulting backdrop of reduced activity across the oil and gas service sector, ATR's performance was positively impacted by the implementation of ongoing internal cost reduction initiatives, continued focus on utilisation, an increase in internal operating efficiencies and safety performance, and from the flexibility of its business model.

ATR, as part of its strategic objectives, commenced a process of consolidating its supply chain, acquiring Safety & Technical Hydraulics Limited on 29 June 2015, a company specialising in the provision of hydraulic tools, bolting and instrumentation equipment to the oil and gas industry. This acquisition further enhances ATR's strong reputation for technical excellence, quality, reliability and customer service and its ability to work with clients to reduce their overall costs.

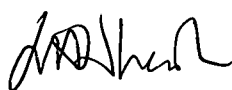

Subsequently, the directors carried out a review of the strategic options available to ATR, including a review of potential oilfield service companies to merge / combine with in order to generate additional economies of scale and better position the enlarged business for market recovery. On 27 July 2016, NBGI Private Equity (Tranche II) LP sold their controlling interest in ATR to Centurion Group Limited. The majority of the equity of Centurion Group Limited is owned by SCF-VIII AIV LP, a Cayman Island limited partnership which in turn is controlled (except in limited and specified circumstances) by its general partner, LE Simmons & Associates Inc, a Delaware corporation.

The directors have prepared financial projections for the 2016 and 2017 financial years and are satisfied that the Company remains a going concern.

Principal risks and uncertainties and key performance indicators

Risks and key performance indicators are managed and reviewed at Group level. These are considered further in the Strategic report of ATR Offshore Holdings Limited.

DIRECTORS' REPORT

FOR THE YEAR ENDED 31 OCTOBER 2015

The directors present their report and financial statements for the year ended 31 October 2015.

Directors

The following directors have held office since 1 November 2014:

Mr K Moorhouse

Mr E Leask

Results and dividends

The results for the year are set out on page 5. The directors do not propose the payment of a dividend.

Statement of directors' responsibilities

The directors are responsible for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement of disclosure to auditor

So far as the directors are aware, there is no relevant audit information of which the company's auditors are unaware. Additionally, the directors have taken all the necessary steps that they ought to have taken as directors in order to make themselves aware of all relevant audit information and to establish that the company's auditors are aware of that information.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF ATR LIFTING SOLUTIONS LIMITED

We have audited the financial statements of ATR Lifting Solutions Limited for the year ended 31 October 2015 set out on pages 5 to 17. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on page 2, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 October 2015 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Strategic Report and Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

ATR LIFTING SOLUTIONS LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 OCTOBER 2015

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention.

The company has taken advantage of the exemption in Financial Reporting Standard No 1 (Revised 1996) from the requirement to produce a cash flow statement on the grounds that it is a subsidiary undertaking where 90 percent or more of the voting rights are controlled within the group.

1.2 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts.

Profit is recognised on long term projects, if the final outcome can be assessed with reasonable certainty, by including the turnover and related costs as activity progresses. Turnover is calculated by reference to the value of work performed to date as a proportion of the total contract value for these contracts.

1.3 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Leasehold land and buildings	- 20 years
Plant and machinery	- 5 – 10 years
Computers, furniture and fittings	- 5 – 10 years
Motor vehicles	- 4 – 6 years

1.4 Investments

Investments in subsidiaries and other investments are stated at cost less any provision for diminution in value.

1.5 Leasing

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

1.6 Stock

Stock is valued at the lower of cost and net realisable value.

1.7 Pensions

The company operates a defined contribution scheme for the benefit of its employees. Contributions payable are charged to the profit and loss account in the year they are payable.

1.8 Deferred taxation

Deferred tax is provided in full on timing differences which result in an obligation at the balance sheet date to pay more tax, or right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in the financial statements. Deferred tax assets are recognised to the extent that it is regarded as more likely than not they will be recovered. Deferred tax assets and liabilities are not discounted.

FOR THE YEAR ENDED 31 OCTOBER 2015

1.9 Foreign currency translation

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to profit and loss account.
