NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 30 APRIL 2010

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention.

1.2 Going concern

The company is funded by way of an amalgamated group banking facility administered by the immediate parent undertaking, Applied Capital Limited. As a result, the company is dependent on the ongoing support of the bank and Applied Capital Limited to enable it to meet its debts and other financial obligations as they fall due. Applied Capital Limited is operating within its agreed banking facilities and the shareholders have pledged to support the company for the foreseeable future. The directors therefore consider it appropriate to prepare the accounts on a going concern basis.

1.3 Cash flow exemption

The company has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cash flow statement on the grounds that it is a small company.

1.4 Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date, where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date.

A net deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits against which to recover carried forward tax losses and from which the future reversal of underlying timing differences can be deducted.

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on the tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis.

2 Creditors: amounts falling due within one year

The aggregate amount of creditors for which security has been given amounted to £377,503 (2009 - £364,568).

3 Share capital
