#### **Directors' Report**

The directors submit their report and accounts for the year ended 31 March 2011.

#### Results and dividends

The results for the year and the company's financial position at the end of the year are shown in the attached financial statements.

#### Review of the business

The company's principal activity during the year was the ownership and racing of Race Horses.

#### Fixed Assets

Details of fixed assets are shown in note 6 to the financial statements.

#### Statement of directors' responsibilities

The director is responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the director to prepare financial statements for each financial year. Under that law the Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the director must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the director is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

'The director is responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## 1. Accounting policies

### Accounting convention

The accounts are prepared under the historical cost convention, and in accordance with the Financial Reporting Standards for Smaller Entities (effective April 2008).

#### Depreciation

Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost or valuation less estimated residual value, of each asset over its expected useful life on the straight line method as follows:

Furnishings and equipment	•	10%
Motor Vehicles	-	25%

#### Stock

Stock is valued at the lower of cost and net realisable value. Stock consisted of race horses.

#### **Investments**

Investments are stated at the lower of cost and net realisable value.

#### **Deferred Taxation**

Deferred tax is provided on the liability method to take account of timing differences between the treatment of certain items for accounts purposes and their treatment for tax purposes. Tax deferred is accounted for in respect of all material timing differences. Deferred tax assets are only recognised to the extent that they are regarded as recoverable.

### **Cash flow statement**

The accounts do not include a cash flow statement because the company is a small entity and in accordance with Financial Reporting for Smaller Entities (effective April 2008) is exempt from the requirement to prepare a cash flow statement.

### Consolidation

The financial statements present information about the company as an individual and not about the group. The company is entitled to the exemption under section 248 of the Companies Act to prepare group financial statements.
