The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 30 April 2023.

The members have not required the company to obtain an audit of its financial statements for the year ended 30 April 2023 in accordance with Section 476 of the Companies Act 2006.

The directors acknowledge their responsibilities for:

- (a) ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

Abridged Balance Sheet - continued 30 April 2023

The financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies regime.

All the members have consented to the preparation of an abridged Balance Sheet for the year ended 30 April 2023 in accordance with Section 444(2A) of the Companies Act 2006.

In accordance with Section 444 of the Companies Act 2006, the Income Statement has not been delivered.

The financial statements were approved by the Board of Directors and authorised for issue on 5 December 2023 and were signed on its behalf by:

Ms C Greenlees - Director

Notes to the Financial Statements for the Year Ended 30 April 2023

1. STATUTORY INFORMATION

Hub (Scotland) Limited is a private company, limited by shares, registered in Scotland. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery - 25% on cost

Fixtures and fittings - 15% on reducing balance
Motor vehicles - 25% on reducing balance
Computer equipment - 15% on reducing balance

Investment property

Investment property is shown at most recent valuation. Any aggregate surplus or deficit arising from changes in fair value is recognised in profit or loss.

Investment properties are completed properties which are held for their investment potential. They are stated at their open market value based on valuations at the balance sheet date. Any surplus or deficit arising on the revaluation of investment properties is credited or charged to the investment property revaluation reserve.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

True and fair view override

The company has made a departure from the Companies Act 2006 requirement to depreciate fixed assets. In order to give a true and fair view the company follows accounting standards and values investment properties at open market value and does not depreciate them. This is required for the accounts to show a true and fair view.

3. EMPLOYEES AND DIRECTORS

The average number of employees during the year was 1 (2022 - 1).

Notes to the Financial Statements - continued for the Year Ended 30 April 2023
