Anco Construction Limited

Director's report For the year ended 31 March 2020

The director presents his report and the financial statements for the year ended 31 March 2020.

Director's responsibilities statement

The director is responsible for preparing the director's report and the financial statements in accordance with applicable law and regulations.

Company law requires the director to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the director is required to:

- select suitable accounting policies for the company's financial statements and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and to enable him to ensure that the financial statements comply with the Companies Act 2006. He is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Principal activity

During the year the company continued exploring options in developing land.

Director

The director who served during the year was:

Samuel Irvine Anderson

Going concern

At the balance sheet date the company had net liabilities of £491,541 (2019 - £489,981). This includes a balance due to Sam Anderson (Newhouse) Limited of £557,991 (2019 - £556,191). The board of Sam Anderson (Newhouse) Limited have confirmed it is their intention to continue their financial support of the company to allow it to meet its obligations as they fall due. Repayment of this loan will not be requested within twelve months from date of approval of these financial statements.

The directors have considered the effect of COVID-19 on the company and do not consider there to be a material impact on the ability of the company to continue as a going concern.

Accordingly the financial statements have been prepared on a going concern basis and do not include any adjustments that would arise should this financial support be withdrawn.

Small companies note

In preparing this report, the director has taken advantage of the small companies exemptions provided by section 415A of the Companies Act 2006.

Anco Construction Limited

Notes to the financial statements For the year ended 31 March 2020

1. General information

Anco Construction Limited is a company incorporated in Scotland, limited by shares, registration number SC157259, incorporated under the Companies Act 2006. The address of the registered office is given on the company information page and the nature of the company's principal activities is set out in the directors' report.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Section 1A of Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

There are no critical accounting estimates or judgements exercised by management in applying company's accounting policies.

The financial statements have been rounded to the nearest pound. The company's functional and presentational currency is GBP.

The following principal accounting policies have been applied:

2.2 Going concern

At the balance sheet date the company had net liabilities of £491,541 (2019 - £489,981). This includes a balance due to Sam Anderson (Newhouse) Limited of £557,991 (2019 - £556,191).

The board of Sam Anderson (Newhouse) Limited have confirmed it is their intention to continue their financial support of the company to allow it to meet its obligations as they fall due. Repayment of this loan will not be requested within twelve months from date of approval of these financial statements.

The directors have considered the effect of COVID-19 on the company and do not consider there to be a material impact on the ability of the company to continue as a going concern.

Accordingly the financial statements have been prepared on a going concern basis and do not include any adjustments that would arise should this financial support be withdrawn.

2.3 Tangible fixed assets and depreciation

Tangible fixed assets consist only of land which is stated at cost.

2.4 Debtors

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

2.5 Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.
