Notes To The Abbreviated Accounts

For The Year Ended 30 June 2016

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

At 30 June 2016 the company had net current liabilities of £4,075 (2015 : £9,036 net current assets). The company continues in existence through the continued support from the director.

1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated).

1.3 Turnover

Turnover represents amounts receivable for services provided in the normal course of business, net of trade discounts, VAT and other sales related taxes.

1.4 Goodwill

Purchased goodwill arising on acquisitions is capitalised, classified as an asset on the Balance Sheet and amortised over its estimated useful life up to a maximum of 5 years.

1.5 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Fixtures & Fittings

15% reducing balance and 25% straight line

Motor vehicles

25% reducing balance

1.6 Leasing and hire purchase commitments

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

1.7 Pensions

The company operates a defined contribution pension scheme for employees. The assets of the scheme are held separately from those of the company. The annual contributions payable are charged to the profit and loss account.

1.8 Deferred taxation

Deferred taxation is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance has not been discounted.
