Notes to the Financial Statements
For the Year Ended 31st July 2006

1. Accounting Policies

The following accounting policies have been used consistently in dealing with items which are considered material in relation to the Company's Accounts

a) Accounting Convention

The Accounts have been prepared under the Historical Cost Convention.

b) Depreciation

Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost, less estimated residual value, of each asset over its expected useful life as follows:

Plant and Equipment	15% - 25%
---------------------	-----------

c) Leasing Commitments

Assets held under finance leases are capitalised in the balance sheet and are depreciated over their useful lives.

The interest element of the rental obligations is charged to the profit and loss account over the period of the lease and represents a constant proportion of the balance of capital repayments outstanding. Rentals paid under operating leases are charged to income on a straight line basis over the lease term.
