The Floating Charges shall rank in the following order of priority:

First: The First Ranking Floating Charge to the extent of the First Lenders' Priority Amount; and

Second: The Second Ranking Floating Charge to the extent of the Second Lender's Priority Amount

The Floating Charges shall rank in the order of priority and to the extent provided in the Instrument of Alteration as continuing securities for repayment of the amounts due from time to time by the Company to the Lenders or any of them, notwithstanding:

- (a) any contrary provision of the Floating Charges or their date(s) of execution, creation or registration;
- (b) the provisions of sections 464 and 466 of the Companies Act or any other rule of law to the contrary;
- (c) the date(s) on which any such amount(s) has/have been or may hereafter be drawn down by or advanced or been or may hereafter be drawn down by or advanced or debited to the Company or become due, owing or payable by it; or
- (d) the composition of or any fluctuation from time to time in any such amount(s), including its/their reduction to zero or the existence at any time of a credit balance on any current or other account comprised therein.

Pari Passu Rankings

Pari Passu rankings shall receive effect by making payment to the relevant Lenders pro rata according to the proportion which the relevant amount due to each such Lender bears to the aggregate of such amounts.

Preferential Debts

Nothing in the Instrument of Alteration shall prejudice the right of a Lender to receive payment of a preferential debt within the meaning of the Section 386 and Schedule 6 of the Insolvency Act, and payment of any such debt shall not be treated as a repayment of any amount for which the First Lender or the Second Lender is given a priority ranking under Clause 2 of the Instrument of Alteration (Ranking of Floating Charges).
