A Carson Construction Limited In Liquidation

Report by Charles Moore, Liquidator, to the final meeting of creditors held at the offices of Grainger Corporate Rescue & Recovery Limited, Third Floor, 65 Bath Street, Glasgow, G2 2BX on Friday 29 September 2017 at 10.30am.

Following the presentation of a petition to Glasgow Sheriff Court on 11 February 2011 by the Director, Charles Moore was appointed Interim Liquidator on 7 March 2011 by Interlocutor pronounced in Glasgow Sheriff Court. His appointment as Liquidator was confirmed at the creditors meeting held on 7 April 2011.

Asset Realisations

The Liquidator instructed Messrs JA Cathcart, Auctioneers, to realise the company's residual fixtures and equipment on his behalf. Total realisations before costs were £8,570.00

Bank interest in the sum of £61.12 was received during the period of the liquidation.

Funds of £2,000 were also received from the director which were allocated to his outstanding loan account. The remaining £2,900 owed to the director was uncollectible as the costs and expenses in collecting this sum outweighed any net benefit to creditors.

There were no other assets to realise in this case.

Dividend

There were insufficient funds available to pay a dividend to any class of creditors in this case.

Liquidator's Intromissions

The Liquidator's accounts covering the period from 11 February 2011 to 29 September 2017 are attached.

Liquidator's Time Costs

There was chargeable time incurred by Moore & Co / GCRR of £4,641.00 for the period from 7 March 2011 (date of interim appointment) to close of liquidation. This represents 91.02 hours of chargeable time by the Liquidator and his staff at an average hourly rate of £50.09, this information being provided in terms of Statement of Insolvency Practice 9.

The Liquidator's fees noted were approved by the Sheriff at Glasgow Sheriff Court and circularised to creditors on 10 August 2017 (restricted to the funds available).
