#### **Director's Report**

The director submits his report and the unaudited financial statements of the company for the year ended 31 October 2012.

#### Director's responsibilities

Company law requires the director to prepare financial statements that give a true and fair view of the state of affairs of the company and of the profit or loss for its financial year. In doing so the director is required to:

- select suitable accounting policies and apply them consistently
- make judgements and estimates that are reasonable and prudent
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The director is responsible for maintaining proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and to enable him to ensure that the financial statements comply with the Companies Act 2006. He is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## Principal activity and results

The company did not trade during the period and there were no transactions on the profit and loss account.
