Constitution and Objects

The company's objective is to ensure that individuals within Coatbridge and the surrounding areas do not suffer through ignorance of their rights and responsibilities or of the services available, or through an inability to express their needs effectively. The company is governed by its Memorandum and Articles of Association and is a registered charity.

The Bureau

The Bureau operates within the Citizens Advice Scotland Membership Standards and is subject to regular quality audits which were successfully passed on 4th May 2021 with excellent feedback. The Bureau was awarded full compliance for both quality of advice and policies and procedures in May 2018 and was accredited to Scottish National Standards through Scottish Legal Aid Board in January 2019. Coatbridge CAB are currently within the reaccreditation process for full compliance for the next 3 years. The CAB operates from town centre premises and provides a holistic, one to one, walk in advice service. The office is normally open from 9.30am to 3.15pm Monday to Thursday and 9.30am to 12pm on a Friday morning, however this is currently suspended due to COVID restrictions. Appointments are available outwith our published drop in advice sessions, mostly by phone at present but can be face to face in exceptional circumstances in line with Scottish Government Guidelines. A telephone, web chat and email advice service is also available. The advice service is provided by a team of around 16 highly motivated volunteers who give their time freely to help those more unfortunate than themselves. If the Bureau paid its volunteers an average wage based on paid staff costs, given the numbers of hours contributed, the salary costs of the volunteers for 2020/21 would have been around £100,000 a year. Coatbridge Bureau had 2020 clients, many returning throughout the year as Coatbridge CAB dealt with 9023 areas of advice given. This is a decrease on the previous year with 3017 clients and 11372 areas of advice during 2019/20. This was due to limited services available at the start of COVID lockdown when the CAB closed for face to face services until remote access was fully implemented enabling staff and volunteers to work from home. Also the easement of DWP conditionality meant less enquiries around benefit sanctions or disallowances. The issues presenting are more varied than in previous years with an increased number of new clients who hadn't used our services before. Our financial gains for our clients was £1.9million against £2.2million in 2019/20 which is a great result with less clients. The volunteers provide a very valuable and necessary service to their community. Their dedication, capacity to embrace change and enthusiasm to help others less fortunate is unrivalled. The Directors would like to thank them for their continued support to the service despite these hard times through COVID and some of them did work from home for us which was great and really needed. Statistics show that for every £1 of core funding received to operate the bureau the CAB return on client gain is £31 which is excellent value for money and would be a lot higher if we had more admin resources to check outcomes with clients and it is still one of the highest within the Scottish Citizens Advice Network which reflects the great work that both staff and volunteers do. We would like to thank our funders for their support in the last year and we look forward to working with them in the future to not only maintain but grow our advice and information services to the public. Primary sources of funding for the Bureau are: North Lanarkshire Council, Bank of Scotland Foundation, Corra Foundation, The Henry Smith Charity, Citizens Advice Scotland, Robertson Trust, The Stafford Trust, Foundation Scotland, DWP (Help to Claim Project), Scottish Government and Aspiring Communities with European Funding. We continue to work in partnership with several local organisations to benefit our clients as well as being actively out in the community through 7 outreach surgeries including regular attendance at local information events and within the 2 large supermarkets (ASDA and Tesco), along with presentations to local groups and holding information stands at some local school parent's nights.

Coatbridge Citizens Advice Bureau Report of the Directors for the Year Ended 31 March 2021

Welfare Rights

The project provides an outreach and home visit service to those clients who are unable to come to the Bureau. Benefit Tribunal Representation is available for our clients. Many of our clients would not have gone forward with an appeal without our support and we were successful in many of them. This is reflective of the current situation where many clients are being refused benefits and then have to claim Universal Credit. The Team have continued to be busy with income maximisation and McMillan grant service for people diagnosed with cancer through our referral partnership with NLAN and McMillan Cancer Care. Funding for a full time Welfare Rights Officer (WRO) was provided for the year to March 2021 by The Henry Smith Charity and Welfare Mitigation Money through Citizens Advice Scotland and Scottish Government. Our part time WRO was funded thorough NL Tribunal Unit and Robertson Trust.

PASS

The Patients Advice and Support Service replaced The Independent Advisory Support service from 1st April 2012. The service is funded by the Scottish Government with part-time caseworkers based in Coatbridge and Lanark Bureau. The caseworkers provide a service to help patients resident in Lanarkshire who have experienced problems when using NHS facilities. The service also incorporates a service to inmates in Shotts prison. This is a very busy post with one of the highest referrals in Scotland and our case worker works along with with her counterpart based in Clydesdale CAB have the highest client group in Scotland which is a credit to their hard work. Many of their enquiries come through the PASS Helpline on 0800 917 2127 which is manned by both caseworkers as well as dealing with their local enquiries.

Housing Advice Service

The project provides a second- tier service for North Lanarkshire CAB advisors and is based in the Coatbridge Bureau along with surgeries held within other CAB's in North Lanarkshire. It is funded by North Lanarkshire Council as part of their homeless prevention strategy using funds supplied by the Scottish Government for that purpose. The aim of the project is to improve the quality of housing advice in North Lanarkshire. Further funding has been provided by The Stafford Trust to increase the hours of one of the housing advisers due to the increased demand from over 1,000 clients. The demand for this service has never been greater with various housing issues dealt with especially neighbourhood disagreements and relationship breakdowns which are a sad reality of the impact of lockdown.

Debt Advice Workers

The full time post was funded by North Lanarkshire Council until September 2016 when it was withdrawn due to austerity cuts from North Lanarkshire Council. This service has been greatly missed by the community of Coatbridge and future funding to reinstate it was successful in August 2018 and it proves that there is a great demand for this service as North Lanarkshire has been identified as one of the worst areas in Scotland with debt issues. Our volunteers are excellent at identifying debt issues as it is often an undisclosed underlying issue over and above what they come to see us about and that is why the CAB service and its holistic approach to advice is so important. We are also very proactive through the local paper and social media to let the community know that this service is available. We are also involved in a North Lanarkshire Debt Project trialling a new approach to Debt services by offering a multi-channel service in order to reach those who may not want to or cannot come into a CAB office and this has also proved to be successful and further funding is being sought to continue this.

As part of the CAB service we still work with Skills Development Scotland and PACE to provide face to face sessions for companies with employees facing redundancy.

Pension Wise

This was a part time project funded by Treasury to advise clients aged 50+ on options available to them to release equity from private or occupational pensions. Coatbridge CAB provided this service to clients in Coatbridge 2 1/2 days a week and 1 day a fortnight in Cumbernauld. Due to the low national take up of this service despite media coverage, the project has now been reduced across Scotland and Coatbridge CAB, though our neighbouring bureau, Airdrie CAB, now provide appointments with Kathleen in Coatbridge CAB every second Tuesday by phoning 0800 138 3944. (temporarily paused for face to face due to Covid 19)

Help To Claim

Since April 19 we have successfully delivered a project funded by Department for Work and Pensions (DWP) via Citizens Advice Scotland (CAS). This project enables us to support vulnerable clients who may not be able to claim Universal Credit (UC) online or who may experience issues for follow up action until they get their first payment. This may include difficulties setting up a bank account, confirming their identity or claiming an advance until their UC is paid out. The project has enabled us to rent another unit, convert it into a mini computer suite which will help all our clients with online claims to various benefits in the future. It can be a local appointment or contact the helpline on 0800 023 2581.

Money Talk Team

We also have another project funded through Scottish Government, again via CAS, to ensure that vulnerable clients, especially those elderly or young families know about benefits they may be entitled to, its more than just benefit entitlement, it could be information around switching energy providers, warm home discounts, help with school uniforms or clients who are struggling to make their money last to the end of the week/month or worried about how they'll pay their bills and ensuring that they are not paying over the odds for services. It can be a local appointment or contact the helpline on 0800 085 7145.

Future Strategy

The Bureau plans to continue the activities outlined subject to satisfactory funding arrangements. The Bureau has implemented a volunteer recruitment strategy using local press and media and have recently been involved in a training programme through Lothian and Motherwell CAB. Training through COVID and lockdown has provided a challenge for us but we have successfully trained new volunteers using online modules, zoom sessions and job shadowing. We have continued to support some of our volunteers into paid employment and further education and are thankful for them all especially those who have chosen to help others now that they are retired. We obviously need to keep recruiting in order to sustain enough volunteers to provide our excellent generalist advice service. We currently have 1 Community Job Scotland post funded through Scottish Government for a part time receptionist / admin post which supports the smooth running of the Bureau along with another recruited through the new Government initiative called Kick Start. These schemes as well as helping develop skills for the young people currently in post, provide a valuable first point of contact for our clients and support the project staff and volunteers. This has been a very different year with the Covid 19 pandemic, however the CAB has been able to adjust their working practises to continue to support clients through other channels such as telephone and email whilst working remotely from home. Any staff and volunteers who choose to work in the CAB, even part time because of necessity are fully aware and adhere to the risk assessment produced and ensure all guidelines are followed to maintain a safe working environment.

This year our priority has been our Business Plan which needs to be updated to ensure that we have a full funding strategy and business plan for the Bureau. This has been presented to the Board in order to take forward the growth and improvement of our financial position and our thanks go to Craig Russell for his excellent Business Report which will be available at the start of 2022. The Directors and Bureau Manager are actively involved in ensuring that the level of Bureau funding is maintained and improved. The current Business Plan is reviewed on a regular basis to keep in line with the current funding and future opportunities. The Board look forward to continued expansion and promotion of the Bureau services during the new financial year.

Reserves Policy The Board has maintained its policy of having reserves to cover expenses for a minimum period of 3 months for the Main Bureau and will continue this policy of financial management into the next financial year.

Investment Policy

Bureau and Project funds are held in the appropriate Treasurer's Bank Accounts. The Board does not invest Bureau funds in any other way.

Risk Review

The Business Plan includes the financial strategy of the company to resource its activities. A robust financial accounting system ensures that management of finances is efficient and effective. The accounts are prepared by our bookkeeper Alistair and the accounts are monitored by the Manager and Company Treasurer, with management accounts being presented to the Directors at each bi-monthly meeting of the Board. An independent annual review of the company accounts is carried out and the financial strategy adjusted to meet the requirements of the forthcoming year's activities. A budget for the current financial year has been prepared and agreed by the Board with a bi-monthly review, to ensure sufficient reserves are held to fund the Bureau activities. A risk assessment recognises that staff and volunteer turnover are a major risk and recruitment and training procedures require continual review.

1. ACCOUNTING POLICIES

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) Basis of accounting

The financial statements have been prepared under the historical cost convention and in accordance with the Companies Act 2006, Charities Accounts (Scotland) Regulations 2006 (as amended), the Statement of Recommended Practice, Accounting and Reporting by Charities (SORP 2015) in accordance with the Financial Reporting Standards applicable in UK (FRS 102) issued in January 2015 (as updated through Bulletin 1 published on 2 February 2016), and applicable accounting standards. The principal accounting policies adopted in preparation of the financial statements are as follows:

Preparation of the accounts on a going concern basis

The trustees are of the view that the immediate future of the charity for the next 12 to 18 months is secure and that on that basis the assessment of the trustees is that the charity is a going concern.

The principal office and place of business of the charity is Unit 10, Fountain Business Centre, Ellis Street, Coatbridge, ML5 3AA. The charity meets the definition of a public benefit entity under FRS 102.

The financial statements are provided in pounds sterling and rounded to the nearest whole pound.

b) Fund accounting

- Unrestricted funds are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity.
- Designated funds are unrestricted funds earmarked by the Trustees for particular purposes.
- Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms
 of an appeal.

c) Incoming resources

Incoming resources are included in the Statement of Financial Activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

- Voluntary income is received by way of grants, donations and gifts and is included in full in the Statement of
 Financial Activities when receivable. Grants, where entitlement is not conditional on the delivery of a
 specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the
 grant.
- Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included in these accounts.
- Investment income is included when receivable.
- Incoming resources from charitable trading activities are accounted for when earned.
- Incoming resources from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

Income is only deferred when:

- The donor specifies that the grant or donation must only be used in future accounting periods; or
- The donor has imposed conditions which must be met before the charity has unconditional entitlement.

d) Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered and is reported as part of the expenditure to which it relates:

- Costs of generating funds comprise the costs associated with attracting voluntary income.
- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
- Governance costs include those costs associated with meeting the constitutional and statutory requirements of
 the charity and include the audit fees and costs linked to the strategic management of the charity.
- All costs are allocated between the expenditure categories of the SoFA on a basis designed to reflect the use of the
 resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis
 e.g. floor space, per capita or estimated usage.

e) Operating Leases

Rentals paid for under operating leases are charged to the Statement of Financial Activities. The obligation to pay future rentals on operating leases is shown by way of a note to the Accounts.

Pension scheme

The company operates a defined contribution pension scheme for the benefit of its employees. The assets of the scheme are administered by a separate body of Trustees in a fund independent from those of the company.

The pension costs charged against profit represent the amount of employer's contributions payable to the company's pension scheme in respect of the accounting period.

2. LEGAL STATUS

Independent Examiner's Report to the Directors/trustees of Coatbridge Citizens Advice Bureau

I report on the accounts of the company for the year ended 31 March 2021, which are set out on pages 6 to 10.

Respective responsibilities of directors/trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts in accordance with the terms of the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The charity trustees consider that the audit requirement of Regulation 10(1)(a) to (c) of the Accounts Regulations and the Companies Act 2006 does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention:

ul B. Bon

- 1) Which gives me reasonable cause to believe that in any material respect the requirements
 - To keep accounting records in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
 - To prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations

Have not been met; or

 To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
