NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2011

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

1.2 Basis of accounting

The financial statements have been prepared on the going concern basis which assumes that the company will continue to trade. This assumption is based upon assurances received from the director that it is his intention to provide such assistance as is required to enable the company to meet its financial commitments. If the company were unable to continue to trade, adjustments would have to be made to reduce the value of the assets to their recoverable amount and to provide for any further liabilities that might arise.
