**NOTES TO THE ABBREVIATED ACCOUNTS
FOR THE YEAR ENDED 31 MARCH 2015**

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention.

Financial reporting standard number 1

Exemption has been taken from preparing a cash flow statement on the grounds that the company qualifies as a small company.

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax.

Goodwill

Goodwill, being the amount paid in connection with the acquisition of a business in 2001, is being amortised evenly over its estimated useful life of five years.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property	- not provided
Plant and machinery	- 15% on reducing balance
Motor vehicles	- 15% on reducing balance
Computer equipment	- 25% on cost

Where zero depreciation of freehold buildings is appropriate

Freehold buildings are depreciated to write down the cost less estimated residual value over their remaining useful life by equal annual instalments. Where buildings are maintained to such a standard that their residual value is not less than their cost or valuation, no depreciation is charged as it is not material.

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to the profit and loss account in the period to which they relate.
