Notes to the Financial Statements for the Year Ended 28 February 2007

1 ACCOUNTING POLICES

1 1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standards for Small Entities (effective March 1999) and included the results of the company's operations which are described in the Directors' Report

12 Turnover

Turnover comprises the invoiced value of goods and services supplied by the company, exclusive of Value Added Tax and trade discounts

1 3 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost at valuation less depreciation Depreciation is provided at rates calculated to write off the cost of valuation of fixed assets, less their estimated residual value evenly, over their expected useful lives

1 4 Leasing and hire purchase

Assets obtained under hire purchase contracts and finance are capitalised as tangible fixed assets. Assets acquired by finance lease are depreciated over the shorter of the lease term and their useful lives. Assets acquired by hire purchase are depreciated over their useful lives. Finance leases are those where substantial benefits and risks of ownership are assumed by the company. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.
