## NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 JULY 2010

### 1. ACCOUNTING POLICIES

#### Going concern

The financial statements have been prepared on the going concern basis which assumes that the company will continue in operational existence for the foreseeable future. The company incurred a loss after taxation of £7,375 during the year ended 31 July 2010 and at that date its current liabilities exceeded its current assets by £9,146. The company is thus dependant on the continued financial support of its creditors. The director is confident of this continuing support and of the company's long-term trading prospects and on this basis considers it appropriate for the financial statements to be prepared on the going concern basis. The financial statements do not include any adjustments that would result from a withdrawal of financial support.
