Notes to the Financial Statements for the Year Ended 28 February 2017

1. STATUTORY INFORMATION

Aber Gas Services Limited is a private company, limited by shares, registered in Scotland. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The transition to FRS 102 has resulted in a small number of changes in accounting policies compared to those used previously. Notes to the financial statements describes the effect the transition has had on opening equity and profit for the comparative period.

Turnover

Turnover represents the total invoice value, excluding value added tax, of sales made during the year and derives from the provision of goods falling within the company's ordinary activities.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under finance lease, over the lease term, whichever is the shorter.

Filling plant

- 4% on cost
- 25% reducing balance
Plant and machinery
- 25% reducing balance
- 6.67% on cost
- 20% on cost
Office equipment
- 25% on cost
Motor vehicles
- 25% reducing balance

Stock

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to profit or loss over the relevant period. The capital element of the future payments is treated as a liability.

Rentals paid under operating leases are charged to profit or loss on a straight line basis over the period of the lease.

3. EMPLOYEES AND DIRECTORS

The average number of employees during the year was 30.
