1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents net invoiced sales of services, excluding value added tax, except in respect of service contracts where turnover is recognised when the company obtains the right to consideration.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Land and buildings - 2% on cost

Deferred tax

Deferred tax arises as a result of including items of income and expenditure in taxation computations in periods different from those in which they are included in the company's accounts. Deferred tax is provided in full on timing differences which result in an obligation to pay more or (less tax) tax at a future date, at the average tax rates that are expected to apply when the timing differences reverse, based on current tax rates and laws.
