FINANCIAL REVIEW

Reserves policy

The trustees have examined the charity's requirements for reserves in light of the main risks to the organisation. In doing so they considered the reason why the company needs restricted and unrestricted funds, the level of these reserves required and the steps to be taken in order to establish and maintain reserves at the required level.

The target set by the trustees is to build up reserves equivalent to three months running costs, but in line with most organisations relying on grant income it is not always easy to retain reserves at this level

REPORT OF THE TRUSTEES for the Year Ended 31 MARCH 2008

FINANCIAL REVIEW

Principal funding sources

The charity's principal source of income is the amounts received by way of grant from Glasgow City Council, Bishopwood Area Forum, Scottish Arts Council and BBC Children in Need

Additional income is generated from fees charged for shows and work carried out
