For the year ending 28 February 2012

1 Accounting policies

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008). These accounts have been prepared on the going concern basis. This basis may not be appropriate due to the deficit on the balance sheet at the year end. Should the Company be unable to continue trading, adjustments would have to be made to reduce the value of assets to their recoverable amount to provide for any further liabilities which may arise and to reclassify fixed assets and long term liabilities as current assets and liabilities. The company is relying on the continued support of the Director.
