NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 30 SEPTEMBER 2007

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2005)

The financial statements have been prepared on the going concern basis which assumes that the company will continue in existence for the forseeable future

If the company were unable to continue in existence for the foreseeable future, adjustments would have to be made to reduce the balance sheet values and assets to their recoverable amounts, and to provide for further liabilities that might arise

The directors believe it is appropriate for the financial statements to be prepared on the going concern basis in view of the future prospects of the company and the ongoing support of the related party, as mentioned in note 14

1.2 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts

1.3 Patents

Patents are valued at cost less accumulated amortisation. Amortisation is calculated to write off the cost in equal annual instalments over their estimated useful lives.

1.4 Research and development

Research expenditure is written off to the profit and loss account in the year in which it is incurred. Development expenditure is written off in the same way unless the directors is satisfied as to the technical, commercial and financial viability of individual projects. In this situation, the expenditure is deferred and amortised over the period during which the company is expected to benefit

15 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows

Land and buildings Leasehold 15% Reducing balance
Plant and machinery 20% Reducing balance
Fixtures, fittings & equipment 20% Reducing balance

1.6 Pensions

The company operates a defined contribution scheme for the benefit of its employees Contributions payable are charged to the profit and loss account in the year they are payable

1.7 Deferred taxation

The company provides for deferred taxation in respect of all unreversed timing differences arising between accounting and taxable profits
