Notes to the Abbreviated Accounts
for the Year Ended 31 July 2016

1. **ACCOUNTING POLICIES**

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

Turnover

Turnover is stated net of VAT and trade discounts. Turnover from the sale of goods is recognised when the goods are physically delivered to the customer. Turnover from the supply of services represents the value of services provided under contracts to the extent that there is a right to the considerations and is recorded at the value of the considerations due. Where a contract has only been partially completed at the balance sheet date turnover represents the value of the services provided to date based on a proportion of the total contract value. Where payments are received from customers in advance of services provided, the amounts are recorded as deferred income and included as part of creditors due within one year.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery	- 15% on reducing balance
Motor vehicles	- 25% on reducing balance
Computer equipment	- 25% on reducing balance

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to the profit and loss account in the period to which they relate.
