NOTES TO THE ABBREVIATED ACCOUNTS

FOR THE YEAR ENDED 30 JUNE 2012

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The financial statements have been prepared on a going concern basis as the directors believe it appropriate to do so. In coming to this conclusion the directors confirm that they will continue to support the company for at least twelve months following the date of approval of these accounts. They also confirm that they will not seek repayment of their loan balance until all creditors have been met.

1.2 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Computer equipment	33% straight line
Fixtures, fittings & equipment	20% straight line

1.3 Deferred taxation

Deferred tax is provided in full on timing differences which result in an obligation at the balance sheet date to pay more tax, or right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in the financial statements. Deferred tax assets are recognised to the extent that it is regarded as more likely than not they will be recovered. Deferred tax assets and liabilities are not discounted.
