BARR + WRAY GROUP LIMITED
GROUP STRATEGIC REPORT
FOR THE YEAR ENDED 30 SEPTEMBER 2017

The directors present their strategic report of the Company and the Group for the year ended 30 September 2017.

REVIEW OF BUSINESS

The Group's principal activity is in two distinct markets - "Pools and Spas" and "Process Equipment", where it utilises its core skills in water engineering. Its experience and expertise built up over the past 50 years is combined with state of the art engineering to provide its customers with products and services of the highest quality.

The directors believe that results for the year are commendable and that the closing order-book at the end of September 2017 provides an opportunity for further growth in the future.

KEY PERFORMANCE INDICATORS

Gross margin for the year was higher than that for the prior year at 24.2% (2016: 23.1%). The operating margin in the year was 7.1% against 9.2% in 2016. These margins are satisfactory and reflect the continuing profitability and success of the Group.

PRINCIPAL RISKS AND UNCERTAINTIES

The directors believe the main risk facing the business is the downturn in the global economy. The healthy financial position of the business, its standing as a market leader, the recognised quality of the Group brand and the strong order book at the year end in the directors' opinion significantly mitigates this risk. With the establishment of the subsidiaries in the United Arab Emirates, Barr + Wray FZE, and Hong Kong, Barr & Wray (H.K.) Limited, the directors believe this further mitigates this risk by creating new income streams for the Group.

FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Group finances its operations through its retained profits. Management's objective is to retain sufficient liquid funds to enable it to meet its day to day obligations as they fall due.

Hedge accounting is not used by the Group.

The Group's surplus funds are held primarily in short term fixed rate deposit accounts, which the directors believe gives the Group the flexibility to release cash resources at short notice.

ON BEHALF OF THE BOARD:

.....
I Montgomerie - Secretary

Date:

5/2/18

BARR + WRAY GROUP LIMITED
DIRECTORS' REPORT
FOR THE YEAR ENDED 30 SEPTEMBER 2017

The directors present their report with the financial statements of the Company and the Group for the year ended 30 September 2017.

PRINCIPAL ACTIVITY

The principal activity of the Group during the year was the provision of water engineering services.

DIVIDENDS

Details of dividends paid are included in notes to the financial statements.

DIRECTORS

The directors shown below have held office during the whole of the period from 1 October 2016 to the date of this report.

A A Macdonald
I Montgomerie

Other changes in directors holding office are as follows:

D A M Gunn - resigned 16 December 2016

PURCHASE OF OWN SHARES

The Group purchased 20,625 of its £1 shares on 15 December 2016 for a consideration of £850,575. At the time of the purchase this represented 22.5% of the called up share capital.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Group Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and the Group and of the profit or loss of the Group for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's and the Group's transactions and disclose with reasonable accuracy at any time the financial position of the Company and the Group and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and the Group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the Company's website.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the Group's auditors are unaware, and each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the Group's auditors are aware of that information.

BARR + WRAY GROUP LIMITED
DIRECTORS' REPORT
FOR THE YEAR ENDED 30 SEPTEMBER 2017

AUDITORS

The auditors, Consilium Audit Limited, will be proposed for re-appointment at the forthcoming Annual General Meeting.

ON BEHALF OF THE BOARD:

.....
I Montgomerie - Secretary

Date:

5/2/18

**REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF
BARR + WRAY GROUP LIMITED**

Opinion

We have audited the financial statements of Barr + Wray Group Limited (the 'Parent Company') and its subsidiaries (the 'Group') for the year ended 30 September 2017 on pages seven to twenty seven. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the Group's and of the Parent Company affairs as at 30 September 2017 and of the Group's profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Group's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The directors are responsible for the other information. The other information comprises the information in the Group Strategic Report and the Directors' Report, but does not include the financial statements and our Report of the Auditors thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Group Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Group Strategic Report and the Directors' Report have been prepared in accordance with applicable legal requirements.

**REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF
BARR + WRAY GROUP LIMITED**

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Group and the Parent Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Group Strategic Report or the Directors' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the Parent Company, or returns adequate for our audit have not been received from branches not visited by us; or
- the Parent Company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the Statement of Directors' Responsibilities set out on page three, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Group's and the Parent Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Group or the Parent Company or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Auditors.

BARR + WRAY GROUP LIMITED

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2017**

1. STATUTORY INFORMATION

Barr + Wray Group Limited is a private company, limited by shares, registered in Scotland. The company's registered number and registered office address can be found on the General Information page.

The presentation currency of the financial statements is the Pound Sterling (£).

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Basis of consolidation

The consolidated financial statements incorporate the financial statements of the Company and all group undertakings. These are adjusted, where appropriate, to conform to group accounting policies. Acquisitions are accounted for under the acquisition method and goodwill on consolidation is capitalised and written off over a period of ten years from the year of acquisition. The results of companies acquired or disposed of are included in the Income Statement after or up to date that control passes respectively. As a Consolidated Income Statement is published, a separate Income Statement for the Company is omitted from the group financial statements by virtue of section 408 of the Companies Act 2006.

Significant judgements and estimates

Preparation of the financial statements requires management to make significant judgements and estimates. In preparing the financial statements the directors have made the following judgements:

- Determine whether leases entered into by the Group as a lessee are operating or finance leases. These decisions depend on an assessment of whether the risks and rewards of ownership have been transferred from the lessor to the lessee on a lease by lease basis.
- Determine whether there are indicators of impairment of the Group's tangible assets. Factors taken into consideration in reaching such a decision include the economic viability and expected future financial performance of the asset.
- Determine whether any bad debt provision is required via review of trade debtors, with debts provided for on a specific basis. Factors considered include customer payment history and agreed credit terms.
- Determine whether contract revenue and contract costs have been estimated and recognised according to the concepts of prudence and realisation of profits.
- The Group has obligations to pay pension benefits to certain employees. The cost of these benefits and the present value of the obligation depend on a number of factors, including; life expectancy, salary increases, asset valuations and the discount rate on corporate bonds. Management estimates these factors in determining the net pension obligation/asset in the balance sheet. The assumptions reflect historical experience and current trends.

Turnover

In respect of long-term contracts and contracts for ongoing services, turnover represents the value of work done in the year, including estimates of amounts not invoiced, net of Value Added Tax. The value of work done in respect of long term contracts and contracts for ongoing services is determined by reference to the stage of completion.

In respect of goods sold during the year turnover represents sales price, less returns received, exclusive of Value Added Tax. Sales are recognised at the point at which the company has fulfilled its contractual obligations and the risks and rewards attaching to the product have been transferred to the customer.

Goodwill and amortisation

Goodwill is stated at cost less accumulated amortisation and any impairment in value. Cost is the difference between the fair value of the consideration paid on the acquisition of a business and the fair value of the separable net assets required. Amortisation is calculated to write off the cost of goodwill on a straight-line basis over its estimated useful life up to a maximum of 10 years.

The carrying value of goodwill is reviewed by the directors annually for any impairment.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 30 SEPTEMBER 2017

2. ACCOUNTING POLICIES - continued

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off the cost less estimated residual value of each asset over its estimated useful life.

Heritable property	- 2% straight line and 4% straight line
Tools and equipment	- 20% straight line
Office furniture and equipment	- 10% to 25% straight line

Tangible fixed assets are stated at cost less depreciation.

Cost represents purchase price together with any incidental costs of acquisition.

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Cost is calculated using the first-in first-out method and includes the normal cost of transporting stock to its present location and condition.

Work in progress

Work in progress is valued on the basis of direct material and labour costs plus attributable overheads based on a normal level of activity.

For long term contracts, profit is recognised by reference to the stage of completion of each contract where there is reasonable certainty that the contract will be profitable. Where the outcome of the contract cannot be established with reasonable certainty, no profit is recognised. Foreseeable losses are provided for in full at the point at which the loss is anticipated.

Where amounts invoiced exceed the value of work done, the excess is accounted for as payments received on account and is included within creditors. Where the value of work done exceeds the amounts invoiced, the excess is accounted for as amounts recoverable on contracts and is included within debtors.

Financial instruments

The Group has chosen to adopt Sections 11 and 12 of FRS 102 in respect of financial instruments.

Financial instruments are classified and accounted for as financial assets, financial liabilities or equity instruments, according to the substance of the contractual arrangement.

Financial instruments which are assets are stated at cost less any provision for impairment. Financial liabilities are stated at principal capital amounts outstanding at the period end. Issue costs relating to financial liabilities are deducted from the outstanding balance and are amortised over the period to the due date for repayment of the financial liability.

An equity instrument is any contract that evidences a residual interest in the assets of the Group after deducting all of its liabilities. A financial liability is any contractual arrangement for an entity to deliver cash to the holder of the associated financial instrument.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 30 SEPTEMBER 2017

2. ACCOUNTING POLICIES - continued

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Consolidated Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

The trading results of the Group undertakings are translated into Pound Sterling (£) at the average exchange rates for the year. The assets and liabilities of overseas undertakings, including goodwill and fair value adjustments arising on acquisition, are translated at the exchange rates ruling at the year end. Exchange adjustments arising from the retranslation of opening net investments and from the translation of the profits or losses at average rates are recognised in other comprehensive income.

Operating leases

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against profits on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The Group operates three pension schemes; one defined benefit and two defined contribution schemes. For the defined benefit scheme, the amounts charged to operating profit are the current service costs and gains and losses on settlements and curtailments. They are included as part of staff costs. Past service costs are recognised immediately in the income statement if the benefits have vested. If the benefits have not vested immediately, the costs are recognised over the period until vesting occurs. The interest cost and the expected return on assets are shown as a net amount of other finance costs or credits adjacent to interest. Actuarial gains and loss are recognised immediately in other comprehensive income.

Defined benefit schemes are funded with the assets of the scheme held separately from those of the Group, in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit method and discounted at an AA corporate bond rate. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The resulting defined benefit asset (to the extent that it can be recovered) or liability is presented separately after other net assets on the face of the balance sheet. The contributions are determined by a qualified actuary on the basis of triennial valuations.

The defined benefit pension scheme was closed to future accrual with effect from 30 September 2006.

For defined contribution schemes, the amount charged to the Consolidated Income Statement in respect of pension costs and other post-retirement benefits is the contributions payable in the year. Differences between contributions payable in the year and contributions actually paid are shown as either accruals or prepayments in the balance sheet. The assets of the scheme are held separately from those of the Group in an independently administered fund.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 30 SEPTEMBER 2017

2. ACCOUNTING POLICIES - continued**Deferred government grants**

Deferred government grants in respect of capital and personnel expenditure are treated as deferred income and credited to the Consolidated Income Statement over the estimated useful life of the assets or employment period to which they relate. The assets estimated useful life is deemed to be 50 years whilst the average employment length is 5 years.

3. TURNOVER

The turnover and profit before taxation are attributable to the one principal activity of the Group.

The directors have chosen not to disclose further information on the Group's turnover on the basis that they consider it seriously prejudicial to the interests of the Group.

4. EMPLOYEES AND DIRECTORS

	2017	2016
	£	£
Wages and salaries	4,257,100	3,775,005
Social security costs	291,072	274,040
Other pension costs	<u>87,145</u>	<u>89,988</u>
	<u>4,635,317</u>	<u>4,139,033</u>

The average monthly number of employees during the year was as follows:

	2017	2016
Production	54	51
Administration, sales and distribution	<u>62</u>	<u>60</u>
	<u>116</u>	<u>111</u>

Other pension costs are amounts charged to operating profit and do not include amounts debited to finance costs and amounts recognised in the statement of recognised gains and losses in respect of the defined benefit pension scheme.

	2017	2016
	£	£
Directors' remuneration	371,119	453,937
Directors' pension contributions to money purchase schemes	<u>12,201</u>	<u>22,920</u>

The number of directors to whom retirement benefits were accruing was as follows:

Money purchase schemes	<u>3</u>	<u>3</u>
------------------------	-----------------	-----------------

Information regarding the highest paid director is as follows:

	2017	2016
