DIRECTORS' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2009

The directors present their report and financial statements for the year ended 31 December 2009.

Principal activities

The principal activity of the company continued to be that of the manufacture and supply of envelopes and other stationery products.

Review of the business

The net result for the year was a loss of £2m.

The planned price increases implemented at the start of 2009 were negated by the impact of the global recession which kicked in by mid year. Whilst exchange rates and raw material prices stabilised during the year, the recessionary impact on the market place meant that over supply in the market drove prices back down with the subsequent impact on margins.

The loss of a few sizeable contracts in the autumn led to a review of activity levels and the decision to reduce capacity at Bathgate led to a redundancy programme with 25 jobs being lost in December. On a positive note, the revised production capacity means that our purchases of finished goods will reduce and the leaner production operation should lead to increased manufacturing efficiencies and overhead recovery.

Turnover and manufacturing output at Walsall were reasonably steady but margins suffered here too due to the recession.

Key performance indicators

The directors believe that analysis using key performance indicators for the Company is not necessary or appropriate for an understanding of the development, performance or position of the Company.

Results and dividends

The results for the year are set out on page 5.

Directors

The following directors have held office since 1 January 2009:

Financial risk management

The Company's operations expose it to a variety of financial risks that include the effects of price, credit and liquidity risks.

Liquidity risk

The Company actively maintains a mixture of long term and short term debt finance that is designed to ensure that the Company has sufficient available funds for operations. At present the Company remains in a net liabilities position, however the Company has received assurances from its parent Company that it will continue to support the Company for the foreseeable future.

Credit risk

The Company has implemented policies that require appropriate credit checks on potential customers before sales are made.

DIRECTORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2009

Price risk

The Company is exposed to commodity price risk as a result of its operations. However, given the size of the Company's operations, the costs of managing exposure to commodity price risks exceed any potential benefits. The directors will revisit the appropriateness of this policy should the Company's operations change in size or nature. The Company has no exposure to equity securities prices risk as it holds no listed or other equity investments.

Auditors

In accordance with the company's articles, a resolution proposing that Springfords LLP be reappointed as auditors of the company will be put at a General Meeting.

Statement of directors' responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement of disclosure to auditors

So far as the directors are aware, there is no relevant audit information of which the company's auditors are unaware. Additionally, the directors have taken all the necessary steps that they ought to have taken as directors in order to make themselves aware of all relevant audit information and to establish that the company's auditors are aware of that information.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF EAGLE ENVELOPES LIMITED

We have audited the financial statements of Eagle Envelopes Limited for the year ended 31 December 2009 set out on pages 5 to 17. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with chapter 3 of part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on pages 1 - 2, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

EAGLE ENVELOPES LIMITED

INDEPENDENT AUDITORS' REPORT (CONTINUED) TO THE MEMBERS OF EAGLE ENVELOPES LIMITED

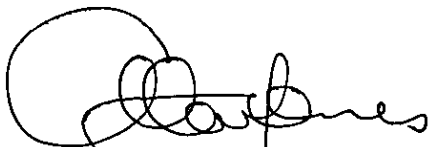

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2009 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

EAGLE ENVELOPES LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2009

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention.

The company has incurred a loss for the year ended 31 December 2009 and has negative net assets as at 31 December 2009. The Company has received assurances from its parent companies that they will continue to support the Company for the foreseeable future. At the date of approval of these financial statements the directors have no reason to believe this support will not continue and accordingly, the financial statements have been prepared on a going concern basis.

1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated).

1.3 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts.

1.4 Tangible fixed assets and depreciation

Tangible fixed assets other than freehold land are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Land and buildings Freehold	4% Straight Line
Plant and machinery	12.5% to 33% Straight Line

1.5 Leasing and hire purchase commitments

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

1.6 Stock and work in progress

Stock and work in progress are valued at the lower of cost and net realisable value. Cost is determined on a first in first out basis and includes all direct expenditure and production overheads based on the normal level of activity. Where necessary, provision is made for obsolete, slow moving and defective stocks.

1.7 Pensions

The company operates a defined contribution scheme for the benefit of its employees. Contributions payable are charged to the profit and loss account in the year they are payable.

FOR THE YEAR ENDED 31 DECEMBER 2009

1 Accounting policies

(continued)

1.8 Deferred taxation

Deferred taxation is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance has not been discounted.

Deferred tax assets are only recognised to the extent it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing difference can be deducted.

1.9 Foreign currency translation

Monetary assets and current liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Long term liabilities are translated at a rate which reflects the best estimate of the likely maturity rate and does not take account of short term currency fluctuations. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to profit and loss account.

2 Turnover

The total turnover of the company for the year has been derived from its principal activity wholly undertaken in the United Kingdom.

3 Operating loss
