 - (i) a Senior Default has occurred; or
 - (ii) the Security Trustee considers such assets to be in jeopardy or in danger of being seized or sold pursuant to any form of legal process; or
 - (iii) the Security Trustee becomes aware or has reason to believe that steps have been taken which would, in the opinion of the Security Trustee, be likely to lead to the presentation of a petition to appoint an administrator in relation to such Chargor (or such an administrator has been appointed) or to wind up such Chargor or that any such a petition has been presented, which in the opinion of the Security Trustee is likely to result in the winding up of such Chargor or the appointment of such an administrator; or

- (iv) the Security Trustee considers that it is desirable in order to protect the priority of the security.
- (b) If any Chargor, without the Security Trustee's prior written consent, (or in relation to sub-clause (iv) any person) resolves to take or takes any step to:
 - (i) charge (whether by way of fixed or floating charge) or otherwise encumber any of its Floating Charge Assets;

then the floating charge created by sub-clause 3.1(j) of Clause 3.1 (*Fixed and Floating Charge*) or under a Deed of Accession or Limited Recourse Deed of Accession shall be automatically crystallised (without the necessity of notice) into a fixed charge over such Floating Charge Asset instantly on the occurrence of such event.

- (c) Upon the occurrence of any of the events specified in sub-clauses (a) and (b), the Security Trustee may, in relation to any Floating Charge Asset situated in Scotland or otherwise governed by Scots law, request that the relevant Chargor execute and deliver to the Security Trustee such appropriate form of fixed security as the Security Trustee may specify.

- 3.5 Any debentures, mortgages, standard securities or charges (fixed or floating) created in the future by a Chargor (except those in favour of the Security Trustee) shall be expressed to be subject to this Debenture and shall rank in order of priority behind the charges created by or pursuant to this Debenture.
- 3.6 Each Chargor shall use all reasonable endeavours promptly to obtain any consent required for the creation of a fixed charge over its rights under any licence of Material Intellectual Property including the Trade Marks Licence.
- 3.7 It is hereby agreed, for the avoidance of doubt, that the fixed charges given by each Chargor over its Receivables under sub-clause 3.1(h) of Clause 3.1 (*Fixed and Floating Charge*) or under a Deed of Accession or Limited Recourse Deed of Accession shall apply to all Receivables owing to such Chargor by any other member of the Group without any requirement for a consent by the relevant Chargor or such member of the Group.
- 3.8 The Chargors shall, on the Securitisation Closing Date, procure that the Term Borrower shall execute a notice of assignment in respect of the Sale and Purchase Agreement and each other Acquisition Agreement in substantially the form set out in Schedule 6 (*Form of Notice of Assignment and Receipt of Acquisition Agreement Claims*) and use all reasonable endeavours once such notice is served to procure the execution and delivery to the Security Trustee by the Vendor and/or guarantor of the acknowledgement of the notice delivered to the Vendor and/or guarantor.
- 3.9 Immediately:
- (a) upon the Securitisation Closing Date (or, in relation to any leasehold Mortgaged Property in respect of which the relevant landlord's consent to charge is required, the date, if later, on which the landlord's consent to charge is obtained), in relation to all landlords which are parties under all Leases in existence on the Securitisation Closing Date and all insurers which are party to all insurance policies benefiting a Chargor which are in existence on the Securitisation Closing Date; or
 - (b) if later, upon any Chargor entering into a Lease with any person or an insurance policy with any insurer,

the relevant Chargor will give notice to all such landlords and insurers of the fixed Security constituted under or pursuant to this Debenture and any Mortgage, Standard Security, Deed of Accession or Limited Recourse Deed of Accession in respect of any such Lease or insurance policy, such notices being in the form set out in Part A of Schedule 7 (*Assignment*) and will use all reasonable endeavours to procure from each of such landlords and insurers an acknowledgment in the form set out in Part B of Schedule 7 (*Assignment*).

The Chargors shall be entitled on and from the date of such notice, to exercise all voting rights in relation to the relevant Securities subject to Clause 4.5 below.

- 13.3 Section 93 of the Law of Property Act 1925 (or where applicable, section 17 of the Conveyancing and Law of Property Act 1881), dealing with the consolidation of mortgages, shall not apply to this Debenture.

14. ENFORCEMENT OF SECURITY

14.1 Enforcement

At any time after the occurrence of a Senior Default, the security created by or pursuant to this Debenture is immediately enforceable and the Security Trustee may, without notice to the Chargors or prior authorisation from any court, in its absolute discretion:

- (a) enforce all or any part of that security (at the times, in the manner and on the terms it thinks fit) and take possession of and hold or dispose of all or any part of the Charged Property; and
- (b) whether or not it has appointed a Receiver, exercise all or any of the powers, authorities and discretions conferred by the Law of Property Act 1925 (or as applicable the Conveyancing and Law of Property Act 1881, in either case as varied or extended by this Debenture) on mortgagees and by this Debenture on any Receiver or otherwise conferred by law on mortgagees or Receivers.

14.2 No Liability as Mortgagee in Possession

Neither the Security Trustee nor any Receiver shall be liable to account as a mortgagee or heritable creditor in possession in respect of all or any part of the Charged Property or be liable for any loss upon realisation or for any neglect, default or omission in connection with the Charged Property to which a mortgagee in possession might otherwise be liable.

15. POWERS OF SALE, LEASING AND ACCEPTING SURRENDERS

- 15.1 Section 103 of the Law of Property Act 1925 (or section 20 Conveyancing and Law of Property Act 1881 in relation to Northern Ireland Mortgaged Property) (to the extent applicable) shall not apply to this Debenture, but the statutory power of sale shall (as between the Security Trustee and a purchaser from the Security Trustee) arise on, and be exercisable at any time after, the execution of this Debenture. However, the Security Trustee shall not exercise such power of sale until the payment of all or part of the Secured Sums has been demanded, or a Receiver has been appointed, but this provision shall not affect a purchaser or require him to ask whether a demand or appointment has been made.
- 15.2 The statutory powers of sale, leasing and accepting surrenders or renunciations exercisable by the Security Trustee by virtue of this Debenture are extended so as to authorise the Security Trustee (whether in its own name or that of the Chargor concerned) to grant a lease or leases of any Mortgaged Property, with such rights relating to other such Mortgaged Property, and containing such covenants and undertakings on the part of such Chargor, and generally on such terms and conditions, as the Security Trustee shall think fit.
- 15.3 The statutory power of sale exercisable by the Security Trustee is extended so as to authorise the Security Trustee to sever any fixtures from Mortgaged Property and sell them separately.
- 15.4 No person dealing with the Security Trustee or any Receiver, its agents or brokers, shall be concerned to enquire whether this Debenture or any security granted pursuant hereto has become enforceable, or whether any power exercised or purported to be exercised has become exercisable, or whether any Secured Sums remain due upon this Debenture, or as to the necessity or expediency of any stipulations and conditions subject to which the sale of any Assets shall be made, or otherwise as to the propriety or regularity of the sale of any Asset, or to see to the application of any money paid to the Security Trustee or such Receiver, or its agents or brokers, and each such dealing shall be deemed to be within the powers hereby conferred and to be valid and effectual accordingly.

16. OPENING OF NEW ACCOUNTS

- 16.1 On receiving notice that any Chargor has encumbered (other than by way of Permitted Security) or disposed of (except as expressly permitted in the Senior Bridge Facilities Agreement prior to the Securitisation Closing Date and thereafter the Issuer/Borrower Loan Agreement) any of its Assets, the Security Trustee and/or any Senior Finance Party may rule off such Chargor's account or accounts and open a new account or accounts with such Chargor.
- 16.2 If the Security Trustee or any Senior Finance Party does not open a new account or accounts immediately on receipt of such notice, it shall nevertheless be treated as if it had done so at the time when it received such notice and as from that time all payments made by such Chargor to the Security Trustee or such Senior Finance Party shall be treated as having been credited to such new account or accounts and shall not operate to reduce the amount owing from such Chargor to the Security Trustee or such Senior Finance Party at the time when it received such notice.

17. APPOINTMENT AND POWERS OF A RECEIVER

17.1 The Security Trustee may appoint by writing any person or persons to be a receiver and manager or receivers and managers of all or any part of the Assets of such Chargor.

- (e) The Receiver shall be the agent of the Chargor concerned (which shall be solely liable for his acts, defaults and remuneration) unless and until such Chargor goes into liquidation, after which he shall act as principal and shall not become the agent of the Security Trustee or the Senior Finance Parties.
- (f) The Receiver shall have and be entitled to exercise in relation to the Chargor concerned all the powers set out in Schedules 1 and 2 to the Insolvency Act 1986 (or in relation to any Chargor registered in Northern Ireland, in Schedules 1 and 2 to the Insolvency (Northern Ireland) Order 1989) and in particular, by way of addition and without limiting such powers (and without prejudice to the powers of the Security Trustee and the Senior Finance Parties), the Receiver shall have power:
 - (i) to take possession of, collect and get in all or any part of the Assets of the relevant Chargor and to take and defend any proceedings (including proceedings for its winding up or proceedings by way of arbitration) in its name or otherwise as he shall think fit;
 - (ii) to carry on or concur in carrying on the business of the relevant Chargor and raise money from any Senior Finance Party or others without security or on the security of all or any of its Assets;

- (iv) to promote the formation of a Subsidiary or Subsidiaries of the relevant Chargor with a view to such Subsidiary or Subsidiaries purchasing, leasing, licensing or otherwise acquiring interests in all or any of the Assets of such Chargor;
- (v) to arrange for such Subsidiary or Subsidiaries to trade or cease to trade as the Receiver may think fit from time to time;
- (vi) to sever any fixtures from the Land of which they form part;
- (vii) to exercise all voting and other rights attaching to Securities owned by the relevant Chargor;
- (viii) to arrange for the purchase, lease, licence or acquisition of all or any Assets of the relevant Chargor by any such Subsidiary on a basis whereby the consideration may be for cash, shares, debentures, loan stock, convertible loan stock or other securities, shares of profits or sums calculated by reference to profits or turnover or royalties or licence fees or otherwise, whether or not secured on the assets of such Subsidiary and whether or not such consideration is payable or receivable in a lump sum or by instalments over such period as the Receiver may think fit;
- (ix) to make any arrangement or compromise with the Security Trustee or any Senior Finance Party as he shall think fit;

consent of the Licensor such consent not to be unreasonably withheld. Licensee shall not otherwise sub-license the rights under this Agreement.

- (c) Licensee may only assign the Licence to an unrelated party as part of the sale of the company as a going concern with the prior consent of the Licensor which will not be unreasonably withheld or delayed.

1.3 Limited Use

- (a) Licensee shall have no right under this Agreement to use the Licensed Marks for anything other than Permitted Uses.
- (b) Licensee shall be bound by, and comply with as though it is a party to the agreement between Licensor and Mr. Stephen Terence Dale, dated 4 September 1997, a copy of which is attached to this Agreement and marked "Exhibit B" :
- (c) Licensee shall not have the right to use the Licensed Marks outside the Territory except where an independent third party from a country within the European Union, without any active advertising or encouragement on the part of the Licensee, approaches or contacts the Licensee seeking to use the Licensee's goods or services and it would be unreasonable to expect the Licensee to avoid using the Licensed Marks in providing goods or services to the third party. For the avoidance of doubt, the use by Licensee of the Licensed Marks on a web site operated by Licensee in accordance with this Agreement shall not constitute a breach of this section.
- (d) Notwithstanding anything in this Agreement to the contrary, the parties acknowledge and agree that nothing in this Agreement shall be deemed to limit the Licensor's right to use or license others to use the Licensed Marks outside the Territory, or the advertisement of Licensor's or such other licensee's goods or services sold or rendered outside the Territory.

2. QUALITY CONTROL

2.1 Standards

The Permitted Uses shall be carried out by Licensee at all times in accordance with first class quality standards in the relevant industry and consistent with the high standards currently used for the services rendered by Licensor's subsidiaries and subsidiary undertakings, any holding company of the Licensor and all other subsidiaries or subsidiary undertakings of any such holding company (the "**Licensor's Retained Group**") under the Licensed Marks. To ensure that such quality is maintained, Licensee shall allow representatives of Licensor to inspect from time to time upon request by Licensor, during normal business hours and without unreasonable interruption to Licensee's operations, Licensee's premises, operations and information that is not confidential to the Business.

2.2 Approvals

Licensee shall at all times comply with the British Codes of Advertising and Sales Promotion and appropriate equivalent codes and standards with regard to any advertising, promotional and publicity copy, exploitation materials and printed or graphic matter of any kind in respect of the Permitted Uses on which the Licensed Marks appear (all of the foregoing being hereinafter individually and collectively called "**Marketing Materials**").

- 2.3 If, in the reasonable opinion of either party's lawyers that it is necessary in order to protect the validity of any of the Licensed Marks or either party's interest in them, then whenever the Licensed Marks are used by the Licensee, whether in association with Marketing Materials or otherwise, such use shall be accompanied by use of the TM sign in the case of unregistered marks and by the ® sign in the case of registered marks together with appropriate wording to indicate that the marks are being used under licence from the registered proprietor of the Licensed Marks.

2.4 Other Marks

Licensee shall not, at any time during this Agreement, make use of, or allow any other person to make use of, any trademark or other sign which is confusingly similar to any of the Licensed Marks.

3. PROTECTION OF THE LICENSED MARKS

3.1 Uses of the Licensed Marks by Licensee

Licensee may use the Licensed Marks (such use in domain names to be limited to the country code top-level domain, .co.uk, and any other top level domain name (eg .com) if the name has a clear and unambiguous UK designation (e.g. DignityUK.com) in the absence of the prior written consent of the Licensor, such consent not to unreasonably withheld or delayed) in connection with the Permitted Uses in accordance with the terms of this Licence. If the Licensee wishes to develop and adapt the Licensed Marks or to join any words or symbols with the Licensed Marks to form a new designation then at the request and cost of the Licensee the Licensor will apply for and prosecute such application in its own name at the UK Trade Marks Registry and on grant of the registration the mark will be added to Exhibit A.

3.2 Infringement by Others

Licensee shall have, the rights and remedies provided in section 31 of the Trade Marks Act 1994 (UK) and shall be entitled to exercise those rights and remedies in the same way as Licensor. In the event that Licensee learns of any infringement of the Licensed Marks or of any use by any person of a designation similar to the Licensed Marks, Licensee shall promptly notify Licensor of such infringement, or use. If requested to do so by Licensor, Licensee shall cooperate with Licensor in all reasonable respects including without limitation, at its own cost, by being a plaintiff or co-plaintiff in any one or more lawsuits in connection therewith and by causing Licensee's officers or other representatives to execute pleadings and other related documents and to prosecute the lawsuit in a diligent manner. If the Licensee fails to take such action within 14 days of being requested to do so by the Licensor the Licensor may, at its sole discretion

- (a) conduct the lawsuit itself; or
- (b) refer the matter to independent senior counsel experienced in intellectual property matters (the actual identity of whom the parties shall seek to agree but if no agreement can be reached between the parties, such counsel shall be appointed by the President, for the time being, of the Bar Council. If such senior counsel determines that there are reasonable prospects of success in such a proceeding the Licensee shall, at its own cost, take action immediately and shall prosecute the lawsuit in a diligent manner. Any applications to such senior counsel shall otherwise be conducted in accordance with the provisions of clause 8 hereof save that any hearing will take place in London, England.

3.3 Defence of Licensed Marks

Licensee shall cooperate with Licensor upon request to obtain, maintain, enforce and defend any rights of Licensor to the Licensed Marks. In that regard, Licensee shall, at its own cost, execute and deliver such documents, consents and affidavits and shall take such other action, including giving testimony, as may be reasonably requested by Licensor or its counsel for such purpose. Licensor shall, to the extent that if it is the only party able to do so, take all reasonable steps necessary to protect and defend the registration of the Licensed Marks against any challenge including any application for revocation or invalidity. If the Licensor's assistance is required in opposing any application for marks or devices which are the same as or similar to the Licensed Marks and which, if registered, would cause damage to or effect the goodwill of the Licensed Marks and their exclusivity and the Licensee cannot, without the assistance of the Licensor, prosecute such opposition then the Licensor shall, at the Licensee's cost, provide such assistance as is necessary in such opposition..

3.4 Registration

Licensee agrees it will forthwith register as Licensee at the UK Trade Marks Registry in respect of those marks that are registered. Licensee will pay for all registration and renewal fees for the Licensed Marks.

3.5 Licensee's Estoppels

Licensee acknowledges and agrees that: (a) Licensee shall acquire no ownership rights to the Licensed Marks by virtue of the Licence granted pursuant to this Agreement; (b) Licensee acquires no other rights to the Licensed Marks except as expressly set forth in this Agreement; (c) Licensee shall not do anything which impairs the ownership or any registration of the Licensed Marks by Licensor, or any applications of Licensor to register the Licensed Marks, or the validity of the Licensed Marks, in each case with respect to rights, registrations or applications in any country of the world; and (d) Licensee shall not register or apply to register the Licensed Marks or any other designation similar thereto anywhere in the world.

3.6 The Licensor acknowledges and agrees that the Licensee will obtain and retain the ownership in and the goodwill of the underlying businesses which are operated under the Licensed Marks. The Licensee acknowledges and agrees that the Licensor will obtain and retain the ownership of and the benefit of the use of the Licensed Marks including that which arises during the course of the Agreement.

3.7 If Licensor decides not to renew an existing registration for any of the Licensed Marks it will provide Licensee with written notice of such decision within a minimum of 3 months of the due date of renewal. The Licensor shall then, on request and at the cost of the Licensee, assign the relevant Licensed Mark to the Licensee for the nominal sum of £1.

4. INDEMNITY

4.1 Licensee hereby save and hold Licensor, and their respective officers, directors, employees, agents and representatives, harmless of and from and indemnify them against any and all losses, liabilities, claims, demands, damages, costs and expenses (including, but not limited to, reasonable attorney's fees and expenses) paid, imposed on or suffered or incurred by them or any of them for or by reason of any acts or omissions (including, but not limited to, negligent acts or omissions) committed or suffered during this Agreement by Licensee or any member of Licensee's Retained Group, assignees or sub-licensees or their respective servants,

agents or employees or arising from or related to, directly or indirectly, Licensee's, or the assignee's or sub-licensee's, use of the Licensed Marks.

4.2 If any proceeding shall be brought or asserted under this Section against an indemnified party in respect of which indemnity may be sought under this Section, the indemnified party shall give prompt notice of such proceeding to the Licensee who shall assume the defence thereof, including the employment of counsel reasonably satisfactory to the indemnified party. The Licensee shall not settle or compromise any proceeding which may affect the validity of the Licensed Marks without the indemnified party's prior written consent.

4.3 The provisions of this Section shall survive the expiration or termination of this Agreement.

5. DEFAULTS

Each of the following shall constitute an "Event of Default" pursuant to this Agreement:

- (a) Licensee uses the Licensed Marks in a manner which has, or is likely to have a material adverse effect on the high standards and prestige of the Licensed Marks and it fails to remedy that breach within 30 days of having been given notice to do so by the Licensor;
- (b) If the Licensee goes into insolvent liquidation and the liquidator has not, within 18 months of the winding up order having been made against the Licensee, sold the business, subject to the Licence as a going concern; or
- (c) Licensee challenges or contests any of the Licensor's rights in and to the Licensed Marks or assist any third party in challenging any such rights.

Upon the occurrence of any Event of Default, Licensor may exercise any or all rights and remedies provided under this Agreement and applicable law (subject as may be otherwise provided in this Agreement), including without limitation the right to terminate this Agreement subject to Section 6.2 by giving notice of such termination to the Licensee.

6. RIGHTS ON TERMINATION

6.1 Upon the termination of this Agreement in accordance with Section 5(c) above, the Licence and the restrictions on Licensor's use of the Licensed Marks shall terminate, and Licensee shall cease to have any further right to use the Licensed Marks; provided, however, that nothing in this Section shall relieve any party from liability for any breach of this Agreement.

6.2 On termination of this Agreement on any ground other than that set out in Section 5(c) above, the Licensor shall allow a period of 6 months for re-branding and for removal of all references to the Licensed Marks from any trade name or corporate name or domain name or otherwise. For the avoidance of doubt, during this 6 month period the relevant Licensee shall have an exclusive licence to use the Licensed Marks for the Permitted Uses in the Territory.
