**Notes to the Abbreviated Accounts  
For The Year Ended 5 April 2013**

**1. ACCOUNTING POLICIES**

**Accounting convention**

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

**Turnover**

Turnover represents amounts receivable for services net of VAT.

**Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Computer equipment                      -    33% on cost

**Deferred tax**

Deferred tax is provided on all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date.

Timing differences are temporary differences between profits as computed for tax purposes and profits as stated in the financial statements which arise because certain items of income and expenditure in the financial statements are dealt with in different years for tax purposes.

Deferred tax is measured at the tax rates that are expected to apply in the years in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax is not discounted.

**Pension costs and other post-retirement benefits**

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to the profit and loss account in the period to which they relate.
