Notes forming part of the abbreviated accounts for the year ended 31 May 2011

1 Accounting policies

The abbreviated accounts have been prepared under the historical cost convention.

The following principal accounting policies have been applied:

Turnover

Turnover represents sales to external customers at invoiced amounts less value added tax or local taxes on sales.

Deferred taxation

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the balance sheet date, except that:

- the recognition of deferred tax assets is limited to the extent that the company anticipates making sufficient taxable profits in the future to absorb the reversal of the underlying timing differences.

Deferred tax balances are not discounted.
