Statement, in the case of a floating charge, as to any restrictions on power to grant further securities and any ranking provision •

Unless otherwise agreed in writing by RBSIF, the Floating Charge shall, subject to Section 464(2) of the Companies Act 1985 and to the following provisions, rank in priority to any fixed security and any other Floating Charge which shall be created by the Company after its execution of the Floating Charge.

Any fixed security granted by the Company in favour of RBSIF either before or after the Company's execution of the Floating Charge shall in all respects rank in priority to the Floating Charge.

Except with the previous written consent of RBSIF, the Company will not create or permit to arise any fixed security or floating charge or lien (including in each case one which ranks after the Floating Charge as well as one which has priority over or ranks pari passu with the Floating Charge) on any of the Property charged and will ensure that no Subsidiary of the Company will create or permit to arise any fixed security or floating charge or lien on any of its undertaking property assets or rights other than in each case in favour of RBSIF.

"Subsidiary" bears the meaning ascribed to that term in Section 1159 of the Companies Act 2006.

① In the case of a floating charge a statement should be given of (1) the restrictions, if any, on the power of the company to grant further securities ranking in priority to, or pari passu with the floating charge; and/or (2) the provisions, if any, regulating the order in which the floating charge shall rank with any other subsisting or future floating charges or fixed securities over the property which is the subject of the floating charge or any part of it.
