The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31 August 2015.

The members have not required the company to obtain an audit of its financial statements for the year ended 31 August 2015 in accordance with Section 476 of the Companies Act 2006.

The director acknowledges his responsibilities for:

- (a) ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.
- (b)

The abbreviated accounts have been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

The financial statements were approved by the director on 7 October 2015 and were signed by:

G J Laird - Director

Notes to the Abbreviated Accounts
for the Year Ended 31 August 2015

1. **ACCOUNTING POLICIES**

Basis of preparing the financial statements

As at 31 August 2014 the company had net liabilities of £2,210. The company is reliant on the continued support of the director. In the director's opinion, the accounts should continue to be prepared on a going concern basis.

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter.

Plant and machinery	- 25% on reducing balance
Motor vehicles	- 25% on reducing balance

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Deferred tax

Deferred taxation is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. Deferred taxation is calculated at the rates of tax that are expected to apply in the periods when the timing differences will reverse and has not been discounted.

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability.
