- b. The liabilities referred to in this Clause 9.2 may be actual, contingent, primary, collateral, several or joint liabilities, and the accounts, sums and liabilities referred to in this Clause 9.2 may be denominated in any currency.
- c. If the amounts concerned are expressed in a different currency then the Lender may exercise all such rights and is authorised to effect any necessary conversions at the Spot Rate of Exchange.
- d. If the relevant obligation or liability is unliquidated or unascertained the Lender may set-off the amount it estimates (in good faith) will be the final amount of such obligation or liability once it becomes liquidated or ascertained.

9.3. Currency

- a. All monies received or held by the Lender under this Charge may be converted from their existing currency into such other currency as the Lender considers necessary or desirable to cover the obligations and liabilities comprised in the Secured Liabilities in that other currency at the Spot Rate of Exchange.
- b. No payment to the Lender (whether under any judgment or court order or in the liquidation or dissolution of the Chargor or otherwise) shall discharge the obligation or liability of the Chargor in respect of which it was made, unless and until the Lender shall have received payment in full in the currency in which the obligation or liability was incurred and, to the extent that the amount of any such payment shall on actual conversion into such currency fall short of such obligation or liability expressed in that currency, the Lender shall have a further separate cause of action against the Chargor and shall be entitled to enforce the security constituted by this Charge to recover the amount of the shortfall.
- c. Unless otherwise prohibited by law, if more than one currency or currency unit are at the same time recognised by the central bank of any country as the lawful currency of that country, then:
 - (i) any reference in this Charge to, and any obligations arising under this Charge in, the currency of that country shall be translated into, or paid in, the currency or currency unit of that country designated by the Lender (after consultation with the Chargor); and
 - (ii) any translation from one currency or currency unit to another shall be at the official rate of exchange recognised by the central bank for the conversion of that currency or currency unit into the other, rounded up or down by the Lender (acting reasonably).
 - (iii) If a change in any currency of a country occurs, this Charge will, to the extent the Lender (acting reasonably and after consultation with the Chargor) specifies to be necessary, be amended to comply with any generally accepted conventions and market practice in the London interbank market and otherwise to reflect the change in currency.

9.4. Appropriation and suspense account

- b. Any such appropriation shall override any appropriation by the Chargor.
- c. All monies received, recovered or realised by the Lender under this Charge may at the discretion of the Lender be credited to any suspense account for so long as the Lender determines (with interest accruing thereon at such rate, if any, as the Lender may determine for the account of the Chargor) without the Lender having any obligation to apply such monies or any part of them in or towards the discharge of any of the Secured Liabilities.

- b. If the Chargor is compelled by law to withhold or deduct any Taxes from any sum payable hereunder to the Lender, the sum so payable by the Chargor shall be increased so as to result in the receipt by the Lender of a net amount equal to the full amount expressed to be payable hereunder.
- c. Any demand, notification or certificate given by the Lender specifying amounts due and payable under or in connection with any of the provisions of this Charge shall, in the absence of manifest error, be conclusive and binding on the Chargor.

9.6. Contingencies
