15. WE CAN REDEEM PRIOR INTERESTS

We can redeem any prior interest in the Charged Assets or arrange the transfer of it to us and settle and pass the accounts to any third party concerned. We may (but we don't have to) do all things which in our reasonable opinion are required to remedy any breach by you of this Floating Charge.

19.2 We will charge you interest at a rate of 3% per year above the Bank of England base rate (as such base rate may change, and whenever such base rate is less than zero it shall be deemed to be zero), from the date the demand is made until the date on which you make payment, if you fail to pay us such costs and expenses on demand.

20. ADDITIONAL SECURITY, RIGHTS AND REMEDIES

This Floating Charge is in addition to and independent of any other guarantee or security which we may hold at any time for any of the Debt. Our rights and remedies under this Floating Charge are in addition to, and not in substitution for, any rights or remedies provided by law.

21. EFFECTIVENESS OF SECURITY

21.1 The security created under this Floating Charge and your obligations under it shall remain in full force and effect until we discharge it in writing even if any of the following or any other matter or thing occurs:

- (c) take any action (or do not take any action) against you or any other person in respect of any assets which you might hold;
- (d) agree to release any other guarantee or security or to enter into any payment plan with you or any other person;
- (e) grant time, waiver or consent to you or any other person;

(f) transfer any of our rights under this Floating Charge or the Debt;

(g) do, or fail to do, anything which might affect the enforceability of this Floating Charge;

21.1.3 any other agreement or security granted by you or any other person is not enforceable.

21.2 You waive any right you may have of first requiring us to proceed against or enforce any other rights or security or claim payment from any person before claiming from you under this Floating Charge.

22. NEW ACCOUNTS

22.1 We may open a new account or accounts for you if we receive notice of any subsequent charge or other interest affecting any of your assets.

22.2 If we do not open a new account then (unless we tell you in writing otherwise) any payment from you received by us after the date of the notice, will be treated as being paid into a new account and not in reduction of the Debt.

22.3 We may credit any payment we receive to a suspense account where it will remain for as long as we decide without reducing the Debt

23. PAYMENTS MADE BY YOU

23.1 You must make all payments without any deduction or withholding.

23.2 You will promptly pay to us additional sums that will make the net sum received by us equal to the full sum payable, had there been no deduction or withholding, if you are required by law to make any deduction or withholding from a payment.

23.3 You waive any present or future right of set off you have in respect of the Debt or payments under or in connection with this Floating Charge.

24. CALCULATIONS AND CERTIFICATES

Any rate or amount under this Floating Charge or in relation to the Debt that we certify or define will, unless there is a manifest error, be conclusive evidence of the relevant matter.

25. CURRENCY CONVERSION

25.1 Payments to us should be made in the currency in which they are due. If we receive any money which is in a different currency or if we need to convert any of the Debt or any order, judgment or award given in relation to a payment due from you into a different currency, we may convert this at the HSBC Exchange Rate. You must indemnify us on demand against any costs or losses that we incur because of that conversion.

25.2 You waive any rights you may have in any jurisdiction to pay any amount to us in a different currency or currency unit to the currency in which such amount is payable.

What's the HSBC Exchange Rate?

This is the rate we use to convert payments to and from currencies other than the currency of your payment. It's based on the foreign currency market for each currency, we offer so changes constantly. The rate will depend on the size of the payment and whether we are buying currency (because you are receiving a payment) or selling currency (because you are making a payment).

26. ARRANGEMENTS WITH OTHERS

We may grant time, vary, release or make any other arrangement in respect of the Debt or any security or guarantee in respect of it. It will not affect this Floating Charge or your liability for the Debt.

27. SET-OFF

We may use any money you have in any account with us (except for trust or client accounts) to pay off any amount owed to us under this Floating Charge.

28. RELEASE OF THIS FLOATING CHARGE

28.1 We shall at your request and cost do whatever is necessary to release and reassign to you our rights under this Floating Charge and the Charged Assets from the security created under this Floating Charge once the Debt has been unconditionally and irrevocably paid and discharged in full and no further Debt is capable of being outstanding.

28.2 Any release of this Floating Charge or any Charged Asset from this Floating Charge is conditional upon any payment or security received by us in respect of the Debt not being avoided, reduced or ordered to be refunded under any law relating to insolvency. We shall be entitled to recover from you the value or amount of any security or payment avoided, reduced or ordered to be refunded as if such release had not occurred.

29.1 You can't transfer any of your rights and obligations under this Floating Charge.

29.2 We can transfer any of our rights and obligations under this Floating Charge to anyone. You agree to sign any additional documents that are required to carry out any such transfer as soon as possible after we ask.

30.3 any company within the HSBC Group;

30.4 any rating agency so it can carry out its normal rating activities;

30.5 any person that we have to share that information with in connection with any litigation or similar proceedings;
