**(IN MEMBERS' VOLUNTARY LIQUIDATION)**

**6     Liquidator's Remuneration and Expenses**

At a meeting of members held on 6 March 2020 it was resolved that the Liquidator's remuneration be approved in the set amount of £2,750.00 plus VAT and the outlays noted below, as per the letter of engagement dated 4 March 2020.

Outlays were £220.00 in respect of advertising, £264.00 in respect of the Liquidator's Bond and Sundry Postage and Stationery Charges of £25.00 (all plus VAT).

No additional remuneration or expenses were sought, approved, drawn or incurred by the Liquidator during this period or any prior period and none will be prior to conclusion.

**7     Members' Rights**

Any member with at least 5% of the voting rights or any member with the permission of the Court may request in writing further information about remuneration or expenses set out above, provided that such request is made to me within 21 days of receipt of this report.

If a member believes that the liquidator's remuneration is too high, the basis is inappropriate, or the expenses incurred by the liquidator are in all the circumstances excessive he may, provided certain conditions are met, apply to the Court on the grounds that the remuneration charged, the basis of that remuneration or the expenses incurred are excessive.

Such application may be made to the Court by any member holding at least 10% of the voting rights (or any member with the permission of the Court). Any such application must be made within 8 weeks of the applicant receiving the liquidator's progress report in which the charging of the remuneration or incurring of the expenses in question is first reported. If the Court does not dismiss the application (which it may if it considers that insufficient cause is shown) the applicant must give the liquidator a copy of the application and supporting evidence at least 14 days before the hearing.

If the court considers the application well founded, it may order that the remuneration be reduced, the basis be changed, or the expenses be disallowed or repaid. Unless the Court orders otherwise, the costs of the application must be paid by the applicant and not out of the assets of the insolvent company.

Please note that the foregoing members' rights are required to be notified to you by statute. The remuneration and expenses in this case were of course agreed in advance of the winding up on this occasion.

Please do not hesitate to contact me should you require any further information.
