

COMPANY NAME AVIAT NETWORKS (UK) LIMITED
COMPANY NUMBER SF514

The Overseas Companies Regulations 2009 amended the law to apply a single company law regime to overseas companies, meaning they cannot be registered in more than one jurisdiction. This company was identified as having multiple registrations for the same company. For this reason Company FC14351 has been closed and all UK Establishment information has been transferred to this remaining company. The closed company had mortgage(s) registered against it. To view details please go to FC14351. All historical information filed against the closed company will remain for search purposes.
